The Capers Papers by Charlotte Capers

Charlotte Capers

finally it is to be had again, and in paperback, the booklet that Charlotte Capers' hosts of readers were urging again into print. one in all Mississippi's so much attention-grabbing personalities and one in every of its totally top raconteurs, Capers can carry any reader of listener enthralled along with her witty, scrumptious narratives. The Capers Papers the following she focuses upon no matter what seized her insights--mainly existence in its traditional gait--yet her experiences of the smalltown scene are as beautiful because the stories of Shaharazade. These pleasant essays, as Eudora Welty says within The Capers Papers the foreward, "were written to amuse, and so they abundantly do so."

The Capers Papers
