The Columbus Panhandles: A Complete History of Pro Football's Toughest Team, 1900-1922

Chris Willis

In 1901 employees on the Panhandle railroads of the Pennsylvania Railroad in Columbus, Ohio shaped a certified soccer group referred to as the Columbus Panhandles. The railroad workers, customarily European immigrants, discovered the sport of soccer not on university grounds, yet at the sandlots of railroad yards in the course of their lunch breaks. With the management of an cutting edge group supervisor and its tricky actual play, the Panhandles went directly to play for greater than two decades as probably the most winning groups within the rag-tag days football. Incorporating unique interviews and real newspaper accounts, Chris Willis recreates the mostly forgotten tale of this distinctive squad of men. within the Columbus Panhandles: an entire historical past of professional Football's hardest Team, 1900-1922, Willis indicates how workforce manager, destiny NFL commissioner Joseph Carr, used the perks of unfastened railroad go back and forth for staff and the gate allure of the well-known Nesser brothers to construct professional football's such a lot profitable touring team. Season through season, Willis offers a desirable account of the team's extraordinary triumphs and crushing losses. choked with extraordinary newspaper quotes, exciting anecdotes, and plenty of unique photos, The Columbus Panhandles additionally profiles a couple of precept figures within the team's history, The Columbus Panhandles: A Complete History of Pro Football's Toughest Team, 1900-1922 such a lot particularly supervisor Joe Carr and the six Nesser brothers who comprised the guts of the squad for plenty of years. Written to honor the legacy of the Columbus Panhandles, this ebook can be of curiosity to historians, sportswriters and normal soccer lovers wanting to know about the early days football.

I stored telling myself it can recuperate and it by no means did. i like activities books yet this one was once so boring.
