Directo de mi blog:El día de ayer, pero 1865 el presidente gringo Abraham Lincoln recibió un balazo en l. a. sien a manos de John Wilkes Booth. A pesar de que el disparo fue mortal, Lincoln murió hasta las 7:22 del día 15. El título del publish corresponde a los angeles "novela/documental" sobre el día en que Lincoln murió. El autor, Jim Bishop, llevó a cabo una investigación detallada sobre l. a. muerte del presidente con datos originales de los eventos, desde las 7 am del 14 de abril, hasta las 7 am del 15.El libro es bastante interesante, sobre todo al descibir el tipo de vida que se llevaba a cabo en aquella época. El día en que fue asesinado Lincoln fue un viernes santo y apenas el lunes anterior a este día había acabado l. a. guerra de sececión, entre el The Day Lincoln Was Shot ejercito del Norte, comandado por el basic supply y el ejército confederado del sur, dirigido por el normal Lee. Lee había perdido los angeles batalla decisiva en las cercanías de Richmond y ya solo faltaba los angeles rendición de un common confederado Joseph Johnston ante el common Sherman, ya que ambos comandaban los ejércitos más grandes después de furnish y Lee.Grant ya había incluso regresado a Washington y ese día el presidente Lincoln le pidió que lo acompañara al teatro para que los angeles gente aclamara al héroe de l. a. guerra. provide declinó para ir a visitar a sus hijos en Philadelphia. Ese día en l. a. mañana Lincoln tuvo una reunión de gabinete, incluyendo a Grant, en las que se definirían las bases para los angeles incorporación de los estados sureños al sistema y gobierno del Norte.Por otra parte, Booth, llevaba a cabo los últimos detalles de su plan de asesinato de Lincoln. Wilkes sales space period un famoso actor, pero de origen sureño y que llevaba varios meses tratando de hacer algo contra el presidente. Se tienen registros de que hubo al menos dos intentos para raptarlo (que period su primera intención) con el fin de intercambiar prisioneros de guerra que el norte se negaba a realizar. sales space reunió un grupo de conspiradores: John y Mary Surratt, Michael O'Laughlin, Lewis Paine, David Herold, Samuel Arnold y George Atzerodt.Una vez que se anunció los angeles rendición del sur, sales space cambió su plan de secuestro por el de asesinato. En su plan, quería desbaratar el liderazgo del norte matando, no solo a Lincoln, sino también a Grant, al vicepresidente Andrew Johnson y al Secretario de Estado William Seward. Seward debía ser asesinado por Paine y Herold, quienes solo alcanzaron a darle unas puñaladas para dejarlo medio muerto. provide sería asesinado por sales space también, ya que estaría originalmente en el palco presidencial del teatro Ford viendo con l. a. esposa de Lincoln l. a. última función de los angeles obra Our American Cousin. El vicepresidente debía ser asesinado por Atzerodt, pero éste no hizo ningún intento por llevarlo a cabo.Booth aprovechó su fama y camaradería con otros actores para acceder al placo antes y durante los angeles función, lo que le permitió salir de Washington después de su magnicidio. Resulta que el palco presidencial se componía de

los placos 7 y eight del teatro y se accedía solo por los angeles puerta eight cuando estaba el presidente. Pero una semana antes se había roto los angeles chapa del palco 7 y así sales space pudo entrar al palco sin ser visto y disparar. Alrededor de las 10:15 de los angeles noche del 14, sales space efectuó su disparo, que al parecer no fue escuchado por más de los angeles mitad del teatro y agregó The Day Lincoln Was Shot las siguientes palabras "revenge for the South" y huyó. sales space pasó entre actores y siguió aprovechando su fama de actor para franquearse el paso hasta llegar a los angeles propiedad de los Surratt en Surrattville donde se encontraría con los demás conspiradores a excepción dfe O'Laughlin, pero Atzerodt nunca llegó ni tampoco tuvo intenciones de huir de Washington. Al momento del disparo, en el palco dijo los angeles The Day Lincoln Was Shot frase "sic semper tyranus", pero solo lo oyeron los three que estaban en el palco: Mrs Lincoln, y una pareja invitada por ella, pero al parecer hay cierta confusión sobre si solo lo dijo a ellos o a todo los angeles audiencia cuando huía... en el libro menciona que fue en el palco solamente. Las The Day Lincoln Was Shot horas de l. a. madrugada fueron de confusión en l. a. ciudad, gente espantada por las calles, que ayudó a l. a. huída de los consipradores, pero también permitió que se identificara a sales The Day Lincoln Was Shot space como el asesino. Días después se le halló en un bar y en un intento de huir fue muerto por los policias. El resto de los conspiradores fueron atrapados y posteriormente ahorcados, siendo Mary Surratt los angeles primera mujer en Estados Unidos en sufrir los angeles pena de muerte. Después del disparo los médicos que estaban presentes en el teatro lo llevaron a un edificio cercano, ya que no se arriesgaron a llevarlo al health facility por l. a. gravedad de los angeles lesión. sales space le disparó entre los angeles nuca y l. a. oreja The Day Lincoln Was Shot izquierda. los angeles bala se alojó en el cerebro y Lincoln estuvo semiconsiente durante nine horas de agonía en los angeles que ya no pudo ni pronunciar palabra. Grant, quien salió en tren alrededor de las 6 de los angeles tarde, se enteró de los angeles muerte de Lincoln en cuanto llegó a Philadelphia y regresó al día siguiente. La esposa de Lincoln, así como l. a. actriz Laura Keene, autora de l. a. obra que se presentaba en el teatro, estuvieron junto a Lincoln hasta su muerte. l. a. noticia fue anunciada vía telégrafo primero a Nueva York y Chicago, pero l. a. noticia no se divulgó inmediatamente en los estados y ciudades del sur. Cuando se anunció los angeles muerte oficial de Lincoln en Washington, más de los angeles mitad de l. a. gente reunida afuera de donde estaba Lincoln period de raza negra. Según el autor, eran 2/3 partes de l. a. gente. Durante días, a Lincoln se le insistía en que no se expusiera en The Day Lincoln Was Shot público por el latente peligro de asesinato, pero Abraham, alentado por su esposa, desatendía estas advertencias, incluyendo las peticiones de ese mismo día de supply y Stanton, secretario de Guerra, de que no asistiera. Para colmo, una serie de circunstancias, como los angeles de los angeles chapa, terminaron por poner el escenario propicio para el asesinato. El libro, se separa en horas dandole un dramatismo estilo novela de lo acontecido en ese día. El único pero que le pongo es que no da muchos antecedentes se los origenes de los angeles guerra que alimentaron el odio de John Wilkes sales space hacia el norte, aun cuando actuaba principalmente en Washintong. Fuera de eso, el libro es ameno y no tan largo como otras novelas. Está en inglés.
