# The Dead Sea Codex (Lisa Donahue Mysteries #1)

Sarah Wisseman

whereas vacationing Israel, archaeologist and museum curator Lisa Donahue reveals an historic papyrus, a part of a misplaced first century advert codex at the teachings of Jesus' lady disciples. Lisa groups up together with her ex-boyfriend Gregory Manzur, racing to discover the remainder of the codex prior to Christian fans who will kill to avoid the codex's publication. instructed from a number of issues of view, this mystery/suspense tale is determined in Israel in 1997, ahead of the new Palestinian uprisings. The characters, American archaeologists, a Jordanian epigrapher, a Lebanese museum curator, an Arab-Israeli registrar, and an American conservator, mirror the various inhabitants and spiritual ideals of contemporary Israel. because the provenance of the papyri seems to be a cave positioned smack at the Jordanian-Israeli border, a world committee is convened to figure out the final word destiny of the lifeless Sea Codex. [Cover artwork Dirk A. Wolf]

There are rumors new manuscript from the lifeless Sea zone has been came upon and is on the market at the black market. a few say that the scroll was once written via a woman, a feminine apostle of Christ, and is in step with different Gnostic texts. there's even suspicion that the codex discusses a moment set of twelve apostles, all lady and enable via Mary Magdalene. regardless of the precise identification of this artifact, there's certainly anything specific approximately this papyrus, everyone is prepared to kill for it. The useless Sea Codex is stuffed with mystery, intrigue, The Dead Sea Codex (Lisa Donahue Mysteries #1) and the aptitude wondering of every thing we have now believed actual of Christianity and its origins. This clever secret permits the reader to commute to Israel and develop into an archaeologist, and adventurer, and treasure hunter for only a The Dead Sea Codex (Lisa Donahue Mysteries #1) little while.
