The Dunce Cap by Paul Holbert

Paul Holbert

the USA could be a nice country, yet its additionally a hotbed of ridiculous laws, ludicrous media practices, and outrageous decision-makers says writer Paul Holbert in his new book, Dunce Cap, a no-holds-barred chronicle of the foolish facet of the united states of america devoted to the nations' s veterans. yet in contrast to many books that satirize the United States with malicious intent, this ebook is written via a patriotic American who overtly helps his country- giving this ebook a unique, ironic standpoint that many readers will locate entertaining. Blunt, humorous, and pleasantly unrestrained, Dunce Cap is a difficult examine the nonsensical facet of the best country within the world.
