The Extraordinary and Unusual Adventures of Horatio Lyle (Horatio Lyle #1)

Catherine Webb

In Victorian London on the peak of the economic revolution, Horatio Lyle is a former volunteer law enforcement officer with a fondness for technological know-how and invention. He's additionally an occasional, yet reluctant, sleuth. In actual fact that he'd otherwise The Extraordinary and Unusual Adventures of Horatio Lyle (Horatio Lyle #1) be in his lab tinkering with risky chemical substances and abnormal equipment than operating round the cobbled streets of London attempting to song down stolen goods. but if his executive calls, Horatio swaps his microscope for a magnifying glass, fills his wallet with issues that explode, and goes forth to resolve a secret of a singularly remarkable nature. Thrown including a reformed—in different phrases "caught"—pickpocket named Tess, and a rebellious young gentleman named Thomas, Lyle and his devoted hound, Tate, locate themselves pursuing an historic chinese language plate, a conspiracy that reaches to the top The Extraordinary and Unusual Adventures of Horatio Lyle (Horatio Lyle #1) degrees of well mannered society, and a perilous enemy who would possibly not also be human. fixing the crime might be challenging enough—surviving will be a bonus.

Victorian London has continually been beautiful to me, no longer precisely simply because it is darkish and gloomy, yet since it used to be probably the most fascinating interval within the heritage of science. And it's The Extraordinary and Unusual Adventures of Horatio Lyle (Horatio Lyle #1) from this environment our hero, Horatio Lyle, emerges. he is a different constable, otherwise you can say a detective. what is more, he is a technology enthusiast, and the second one new release of a family members that has made a few fortune via development machines. In his first adventure, Horatio meets Tess, a tender pickpocket, and Thomas Elwick, a tender aristocrat drawn to science. They - besides Horatio's dog, Tate - need to face a stunning yet risky race rising from the forests of Tibet, swearing to ruin the expertise and machines that human builds. A very promising first book, with energetic and engaging characters. Favourite quote: 'repressed vestal virgin'. That simply makes me laugh. the next is a assessment in Indonesian that I wrote a few years in the past in one other site: Catherine Webb, penulis buku ini, tahun ini [2006] baru berusia 19 tahun. Meski The Extraordinary and Unusual Adventures of Horatio Lyle (Horatio Lyle #1) demikian, jangan anggap dia remeh. Novel debutnya dirilis saat ia baru berusia 14 tahun, dan meski usianya masih muda-belia, The Extraordinary and Unusual Adventures of Horatio Lyle (Horatio Lyle #1) kemampuannya menulis dan kelincahannya berbahasa patut The Extraordinary and Unusual Adventures of Horatio Lyle (Horatio Lyle #1) dipuji. Tak salah jika ada yang menganggapnya dapat menjadi penerus Philip Pullman suatu hari nanti. 'The striking and weird Adventures of Horatio Lyle' adalah sebuah cerita detektif Zaman Victoria yang cukup unik. Kisahnya berlangsung tahun 1864, hanya beberapa tahun setelah Charles Darwin merilis bukunya yang sangat berpengaruh, 'The foundation of Species'. Inggris di Zaman Victoria memang menelurkan banyak pemikir dan saintis yang cemerlang serta sangat memengaruhi dunia. Sebuah dunia baru sedang bergerak; dunia yang didorong oleh teknologi dan dibahanbakari oleh sains. Tidak heran jika tokoh utama novel ini, Horatio Lyle, juga seorang saintis. Namun selain itu, Horatio Lyle juga menjabat sebagai

seorang designated constable – polisi yang hanya dipanggil untuk menangani kasus-kasus khusus. Penokohan Horatio Lyle sebagai seorang saintis mungkin sudah sering Anda dengar. Skeptis, senang menghabiskan waktu di laboratorium sambil mengutak-atik ini-itu (rumahnya seperti benteng kecil yang sulit ditembus pencuri), tidak percaya Tuhan, gagap dalam hubungan dengan lawan jenis. (Horatio menggunakan frasa ‘repressed vestal virgin’ untuk mendeskripsikan dirinya sendiri.) Namun Webb *The Extraordinary and Unusual Adventures of Horatio Lyle* (Horatio Lyle #1) cukup berhasil mewujudkan Lyle menjadi seorang karakter yang menarik, terutama berkat interaksinya dengan berbagai karakter yang ada dalam novel ini, terutama Tess. Tess adalah seorang gadis remaja yang awalnya hendak merampok rumah Lyle, namun keburu tertangkap oleh salah satu dari sekian banyak jebakan yang dipasang Lyle. Usahanya memfitnah Lyle sebagai pemerkosa gagal, dan Lyle malah berhasil memerasnya untuk mau bekerja sebagai asistennya. Lyle—dan secara otomatis Tess, serta anjing Lyle, Tate—diminta Lord Lincoln, salah seorang bangsawan tinggi Inggris, mengungkap misteri pencurian simpanan harta berharga kerajaan. Hal yang sepertinya sepele dan dapat diungkapkan dengan mudah oleh Lyle itu ternyata membimbingnya pada petualangan yang misterius dan mistis, meskipun Lyle dan pemikiran skeptisnya berulang-ulang meyakinkan bahwa tidak ada yang namanya sihir dan lain sebagainya. Pada akhirnya, Lyle memang tidak begitu salah. Segala misteri dalam novel ini disangkutpautkan dengan apik dengan teori-teori listrik, terutama Faraday (salah satu saintis terkemuka di masa itu). Namun lawannya, para Tseiqin, jelas sulit untuk diterangkan dengan sains yang begitu dipegang teguh oleh Lyle. *The Extraordinary and Unusual Adventures of Horatio Lyle* (Horatio Lyle #1) Para Tseiqin adalah makhluk-makhluk indah dalam kepercayaan Tibet, yang muncul dari hutan-hutan dan begitu anti pada besi dan mesin. Mereka hendak memusnahkan ‘peradaban besi’ dan mengembalikan kemurnian dunia. Wujud manusia para Tseiqin tampan dan cantik, dengan mata hijau yang begitu indah. ‘Kecantikan’ mereka ini bahkan sedikit menambahkan bumbu-bumbu homoerotisme dalam novel tersebut. Plot ceritanya memang linear dan tidak berlapis, namun asyik untuk diikuti, terutama berkat kelancaran Webb bertutur dan pilihan kata-katanya yang mengena. Meski saya mendeteksi kalau Webb sedikit terpeleset—ataukah memang disengaja?—ketika ia menggunakan kata ‘genetically’. Kata itu belum ada di Zaman Victoria. Oya, ada cameo usil dalam novel ini: Thomas Hardy. Ketika bertemu dengan Tess di salah satu klub, Hardy menanyakan nama gadis itu, yang dengan polos dijawab dengan ‘Tess’. Namun ketika ditanyai asalnya, Tess sembarangan berbohong, ‘Darbyville’. Namun, setelah segala misteri terungkap sekali pun, novel ini masih membuat saya berpikir. Kala cerita ini berlangsung, tidaklah sulit untuk menempatkan diri kita sebagai pendukung Lyle, yang *The Extraordinary and Unusual Adventures of Horatio Lyle* (Horatio Lyle #1) mencoba menyelamatkan peradaban dan teknologi. Saat itu, teknologi adalah penyelamat manusia—setidaknya, sesuatu yang diharapkan dapat membuat kehidupan manusia menjadi lebih baik. Akan tetapi, kini, ketika dunia terancam kerusakan dan kehancuran, mungkin lebih mudah bagi kita untuk beralih ke sisi para Tseiqin, dan mempertanyakan apakah harga yang kita bayar demi kemajuan teknologi kita sebanding dengan kerusakan alam yang menggila saat ini.
