
THE GEOLOGY OF DEVON

A photograph of a rocky coastline. In the foreground, a dark, craggy rock formation juts out from the bottom left. The middle ground is dominated by a large, rounded rock formation in the sea, with a small, dark rock outcrop to its right. The water is a calm, light blue-grey color, reflecting the sky. The sky is a clear, pale blue. The overall scene is a coastal landscape with prominent geological features.
