The Hand of the Past in Contemporary Southern Politics

James M. Glaser

A crucial tale of up to date southern politics is the emergence of Republican majorities within the region's congressional delegation. Acknowledging the importance and scope of the political change, James M. Glaser argues that, nevertheless, strands of continuity The Hand of the Past in Contemporary Southern Politics impact the perform of crusade politics in vital ways. powerful southern culture underlies the thoughts pursued by means of the candidates, their presentational styles, and the psychology in their campaigns. The writer deals eyewitness debts of modern congressional campaigns in Texas, Mississippi, Virginia, North Carolina, and South Carolina. within the culture of his award-winning e-book Race, crusade Politics, and the Realignment within the South, Glaser captures the "stuff" of politics—the characters, the images, the rhetoric, and the scenery. portray a whole and engaging photo of what it really is like at the crusade trail, Glaser presents wide-ranging insights into the ways in which the "hand of the past" reaches into the southern present.
