'A fascinating tour round Britain's
food roots...I loved it, and so will you.'

Clarissa Dickson Wright

The Land That Thyme Forgot by William Black

William Black

A The Land That Thyme Forgot gastronomic trip round Britain and Ireland. In the spirit of *Al Dente*, *The Land that Thyme Forgot* describes the intrepid gastronome's look for the center and soul of England throughout the foodstuff we eat. chatting with manufacturers and restaurateurs, traveling the good and the awful, looking for Britain's disappearing specialties — tripe, making a song Hinnies, Solomongundy, Hindle wakes, Sussex Pond pudding and Flummery. nice names, yet who on the earth nonetheless eats, not to mention chefs them? Britain is a rustic with a wealthy tradition. Its meat will be one of the best, and the worst. the standard of its cheeses has more advantageous exponentially over the last few years. Farmer's markets are thriving and eating place tradition is burgeoning. So, even perhaps if Britain has been a bit forgotten within the league of culinary greats, occasions relatively are a-changing. From boiling greens in Sussex, to herrings in Kent, yellowman toffee in Derry, smokies in Scotland, Cornish pasties in Cornwall and clotted cream in Devon, William Black takes us on a trip of nutrients and cooking to give *The Land That Thyme Forgot* an explanation for what Britain eats and why. From the Hardcover edition.
