

**The Last Hero: A Discworld Fable (Discworld #27)**

Terry Pratchett

---

A Discworld novel absolutely illustrated in lavish color all through its one hundred sixty pages, this can be an important part of any Discworld collection. It stars the mythical Cohen. He's been a legend in his personal lifetime. He can take into account while a hero did not have to fret approximately fences and legal professionals and civilisation, and while humans did not inform you off for killing dragons. yet he cannot constantly remember, those days, the place he placed his the teeth . . . So now, along with his old sword and his new jogging stick and his previous acquaintances -- and they are very outdated associates -- Cohen the Barbarian is happening one ultimate quest. he'll climb the top mountain within the Discworld and meet his gods. The final hero on the earth goes to come back what the 1st hero stole. With a vengeance. That'll suggest the top of the world, if nobody stops him in time.

Un libro di Terry Pratchett è sempre una garanzia ma ci sono volte che cominci con qualche riserva: The final Hero è un libro illustrato di 176 pagine con, credo, un terzo delle parole che ci sono di solito. Che sia brutto non te lo aspetti. Che sia meno... sì. Ma Terry Pratchett è un genio e non dobbiamo mai, mai, dimenticarlo. A volte non riesco a non pensare a come avrei voluto conoscere Terry Pratchett durante l. a. mia infanzia, e come i miei eventuali figli lo conosceranno durante l. a. loro (se si spicciano a tradurlo, che di questo passo il progetto slitterà ai miei eventuali nipoti): questo è l'effetto che i libri di quest'uomo hanno su di me. Ho finito il libro e sono rimasta lì, senza sapere se essere triste o divertita o malinconica. Ci sono motivi according to essere tutto ciò, e non perchè il finale sia un pastrocchio. È perfetto. Ma andiamo con ordine: siccome so che siamo circa in tre a leggere Pratchett (e uno Cohen ancora non l'ha incontrato), vi spiego: Cohen il Barbaro è un personaggio ricorrente di Mondo Disco nonché dichiarata parodia di Conan il Barbaro, nonché il più grande eroe che il Disco abbia mai avuto. Cosa succede quando un personaggio The Last Hero: A Discworld Fable (Discworld #27) del genere invecchia? Succede che abbiamo abbiamo los angeles classica gag del personaggio completamente fuori posto, un pesce non The Last Hero: A Discworld Fable (Discworld #27) fuor d'acqua ma proprio sparato nell'universo. Ma siccome Pratchett non è scemo non si ferma lì e Cohen acquista una dimensione che, sotto il divertimento, sotto l'arguzia, sotto i giochi di parole che tanto gli vengono bene, ha discrete sfumature tragiche. Cohen è l'ultimo baluardo di un mondo semplice (e, a livello meta, della narrativa excessive fantasy) che non ha posto nel mondo moderno: i tempi sono cambiati, lui no. È fuori luogo in modo comico finchè non ti accorgi che lui lo sa, e che quando gli altri personaggi lo incontrano sono sempre un po' a disagio perchè Cohen dovrebbe essere morto ed essere una leggenda, non una leggenda vivente. È sopravvissuto a tutto, incluso il suo tempo. Il loop in cui è intrappolato è ovvio: Pratchett considera los angeles vecchiaia l. a. somma della vita e Cohen è il migliore. Troppo esperto according to morire in battaglia, troppo esperto consistent with cadere in una trappola e non uscirne: gli è precluso morire in combattimento, lo stesso Morte sembra riluttante all'idea di andarlo a prendere (non che non lo farebbe: il dovere è il dovere), gli dei l'hanno dimenticato. Il suo destino è morire sul letto, in un mondo che non lo apprezza più. Cohen non ci sta. Cohen gioca d'anticipo e con los angeles sua Silver Horde (più un menestrello rapito e l'ultimo Signore Oscuro) make a decision di scrivere los angeles propria high quality riportando il fuoco agli dei - con gli interessi - e restituendo all'umanità il libero arbitrio. Ma qual è los angeles fregatura? Che Mondo Disco è una realtà così instabile che ha bisogno delle divinità e della magia in line with esistere... ed ecco quindi che il Patrizio, con l'aiuto dei maghi, organizza una missione in keeping with fermare gli arzilli vecchietti: Scuotivento, Carota e Leonardo da Quirm devono partire con un'astronave fatta di legno e

---

alimentata a draghi (mezzo inventato apposta da Leonardo, e unica possibilità di raggiungerli in tempo) e a ways ragionare Cohen. In sostanza gruppo di personaggi A cerca di raggiungere località Z mentre gruppo di personaggi B cerca di intercettarli. In questo libro vediamo I. a. vecchiaia affrontata in modo diverso rispetto alle streghe: mentre loro con l'età migliorano consistent with gli eroi il decadimento fisico è The Last Hero: A Discworld Fable (Discworld #27) una vera e propria tortura. Sono stati quelli che hanno fatto tutto e si ritrovano senza nulla. È interessante leggere come Cohen e gli altri The Last Hero: A Discworld Fable (Discworld #27) continuino avert applicare alla loro vita le regole del Codice, ma contemporaneamente siano anche esperti The Last Hero: A Discworld Fable (Discworld #27) abbastanza da guardare il mondo con consapevolezza e cinismo. They say fortune favours the brave, yet I say I have obvious too many courageous males walkin' into battles they by no means walked The Last Hero: A Discworld Fable (Discworld #27) out The Last Hero: A Discworld Fable (Discworld #27) of. La cosa completamente assurda e geniale è che questi anziani signori sono così esperti nelle regole del loro stile di vita (e della loro narrazione) che sono in grado di uscire da determinate situazioni (o di riconoscerle) proprio perchè conoscono e sfruttano i clichè narrativi: capiscono di essere nel torto non tanto perchè glielo spiegano, ma perchè sono in sette contro uno che lotta according to salvare il mondo. Qualunque eroe vissuto abbastanza da avere ottanta-novant'anni sa di non avere nessuna possibilità di vittoria in uno state of affairs simile. Più l'importanza della memoria: che senso hanno le imprese se non c'è nessuno a ricordarle? In questo libro si vedono gli dei in line with molto più pace rispetto agli altri volumi (Tartarughe Divine parla più che altro di fede) e si riconferma l'impressione generale: creature potentissime ma infantili, che giocano letteralmente col destino degli uomini (ma giochi semplici perchè non hanno pazienza) e che possono scordarsi le loro pedine sul tavolo, o The Last Hero: A Discworld Fable (Discworld #27) non pensare a cosa succede quando le fai arrivare fino alla effective del tabellone di gioco. Ho trovato interessante come, nonostante loro vivano infinitamente più a lungo degli umani, siano più giovani rispetto a noi: in fin dei conti proprio perchè gli umani vivono meno invecchiano di più... e Pratchett è abbastanza bravo da riuscire avert usare una sola frase according to mostrare questo concetto: quando Vena the Raven-Haired non uccide le valchirie perchè "they'd all appeared so young". Non posso non sprecare una parola in keeping with i disegni di Paul Kidby: sono meravigliosi. Come ho avuto il libro in mano come ho desiderato The Last Hero: A Discworld Fable (Discworld #27) averlo in copertina rigida, e quanto ho imprecato in line with le illustrazioni spaccate a metà dalla rilegatura The Last Hero: A Discworld Fable (Discworld #27) perchè in due pagine! Moltissimi personaggi, e luoghi, sono esattamente come li ho sempre immaginati. Leggere questo libro è stata un'esperienza fantastica, non solo The Last Hero: A Discworld Fable (Discworld #27) in line with los angeles storia ma in keeping with come è stata scritta e in keeping with cosa rappresenta. Sono innumerevoli le frasi che meriterebbero di essere citate, o scritte e appese, i momenti 'Fuck yeah', los angeles commozione in line with los angeles nice di un'epoca, e ammiro come Pratchett abbia trovato un finale perfetto avert una situazione impossibile. Mi ha fatto venir voglia di andare a cercare qualche vecchio amico: Conan, Solomon Kane, Elric, John Carter, Sandokan, consistent with dirne qualcuno. Vecchi eroi messi in da parte perchè los angeles narrativa è andata avanti e sono troppo semplici, basilari, consistent with i gusti attuali. Ma Scuotivento ha ragione. The factor is... the massive factor approximately Cohen is... he is contagious. it really is like a psychological illness. Or magic. he is as loopy as a stoat, but... as soon as they have been round him for a while, humans begin seeing the realm as he does. All sizeable and simple. and so they are looking to be a part of it.
