

The Library Dragon (The Library Dragon #1)

Carmen Agra Deedy

whilst dawn common tuition marketed for a thick-skinned librarian with a burning love of books, leave out Lotta Scales knew The Library Dragon (The Library Dragon #1) she used to be excellent for the job. Who may well shield books The Library Dragon (The Library Dragon #1) greater than a true dragon? "She stored a fiery eye out to ensure not anyone got rid of any books from the shelves.... The very considered sticky little fingerstouching and clutching, pawing and clawing, smearing and tearing her invaluable books simply made her sizzling below the collar." The teachers, singed and scorched, shaped a delegation. yet no longer even candy leave out Lemon may perhaps persuade leave out Lotta Scales that "the library belongs to the children." Fortunately, nearsighted Molly rickmeyer stumbles right into a reproduction of Snuff the Magic Dragon and reads the story out loud. Her storytelling beckons the kids again t the library and brings them head to head with the Library Dragon. Can an open booklet mood the flames of the school's hot-headed librarian?

Horn publication (March, 1995)When a tyrannical, fire-breathing dragon named leave out Lotta Scales turns into the recent tuition librarian, tale hour ceases, and the kids are forbidden to the touch the books. Eventually, a small baby saves the day. The farcical textual content and colorful, clean-edged paintings are loaded with tedious dragon humor.Kirkus stories (1994)Miss Lotta The Library Dragon (The Library Dragon #1) Scales, the recent librarian at The Library Dragon (The Library Dragon #1) dawn Elementary, is a true dragon, actually and figuratively. She will not lend out books, will not even enable the youngsters contact them for that matter. The very considered their sticky palms desecrating her books makes her flare. She even has the gall to incinerate books that defame dragons. no longer surprisingly, the children come to hate library day. Then Molly Brickmeyer rolls into the library looking for her glasses. Nearsighted to a fault, Molly bumps The Library Dragon (The Library Dragon #1) right into a bookshelf, a booklet pops into her lap, and he or she commences to learn aloud. Rumors of a storytime -- a tradition forbidden through pass over Scales -- unfold in the course of the college like prairie fire. Even leave out Scales is mesmerized by way of Molly's reading, remodeled even, into candy leave out Lotty, librarian and storyteller. Deedy (Agatha's Feather Bed, 1991) has an opportunity to deal with a few matters either huge and small, from censorship to publication burning to terminal crotchiness. Unfortunately, they're left right here to grasp with out being confronted four-square. wonderful nevertheless, with snappy confections from newcomer White.Publishers Weekly (November 14, 1994)When an user-friendly tuition advertises for a "thick-skinned professional" who's "on fireplace with enthusiasm," it will get simply that-and then some. A bespectacled, dress-wearing dragon, leave out Lotta Scales replaces all of the books with spanking fresh ones, and refuses to allow the scholars ("with their gooey arms and snotty noses") contact them. The kids' grades are "going up in smoke," yet neither the imperative nor the lecturers can persuade the headstrong dragon to enable the students close to the stacks till one myopic lady unintentionally wanders into the library and starts off to learn a narrative ("`Snuff the Magic Dragon") aloud. the story manages to melt the librarian's scaly skin-figuratively and literally. Deedy (Agatha's Feather Bed) is an finished storyteller, and youngsters will most likely take pleasure in her widespread puns and wordplay. White heads off forthcoming

cutesiness with droll, stylized The Library Dragon (The Library Dragon #1) illustrations, jam-packed with bright colour and plenty of comical details. a while 6-10. (Oct.) School Library magazine (December 1994) K-Gr 2-Sunrise trouble-free School's new librarian is leave out Lotta Scales, a fire-breathing dragon who fiercely guards her new books. while a nearsighted baby enters the unused facility and starts off examining aloud, different childrens wander in, and pass over Scales realizes that children do not unavoidably harm books. She then turns into omit Lotty, and the youngsters ``warm up" to her. The textual content is full of dragon-related puns, as are the colorful, a bit of off-center illustrations of kids in armor and forbidding yellow ``dragon line" tape draped around the stacks of The Library Dragon (The Library Dragon #1) books. young children will benefit from the humorous touches and librarians may perhaps believe the good-humored faucet of a reminder that books are for kids. the ultimate The Library Dragon (The Library Dragon #1) statement, that ``...every librarian has to be a little of a dragon-or else, who may defend the books?" isn't really good worded, yet it is not worthy getting sizzling below the collar about.-Christine A. Moesch, Buffalo and Erie County Public Library, big apple

The Library Dragon The Library Dragon 1
