The Library of Emmanuel College, Cambridge, 1584 1637

Sargent Bush Jr.

This publication offers an in depth list of the early background of the library at Emmanuel College, Cambridge, from the root of the school in 1584 to the of completion of the 7th significant stock of the library's contents in 1637. This half-century shaped a dynamic interval within the non secular and political in addition to the tutorial lifetime of the nation. The effect of Emmanuel, a notoriously Puritan collage from its founding, was once felt specifically within the outstanding prominence of its alumni between New international settlers (among them John Harvard) and, throughout the English Civil War, within the placement of Emmanuel males in lots of key positions, together with the Masterships of various Cambridge colleges. whereas those males have been being informed Emmanuel's library extended dramatically, and the seven more and more huge inventories of library books recorded there in the course of the interval supply a sign in their matters and their scholarship. Now, for the 1st time, the highbrow assets - in no way narrowly 'Puritan' - of this significant institutional library can be found for the examine of all who're drawn to the heritage of the period.
