The Man from the Alamo: Why the Welsh Chartist Uprising of 1839 Ended in a Massacre

John Humphries

Later, Rees was once one of many major agitators within the doomed Welsh Chartist movement. Twenty-two males died in the course of the Chartist assault upon the Westgate lodge while a detachment from the forty fifth Regiment of Foot, hidden at the back of the hotel's shuttered windows, discharged their muskets into the crowd. For waging warfare opposed to the monarch, 13 of the Chartist leaders have been indicted for prime treason within the final nice convey trial in British criminal history, whereas Rees escaped again to the yankee West. Rees' dazzling trip from the bloodied sands of Texas to the final armed rebellion on British soil is just one of the tales advised during this book.
