stroll THE KNIFE'S part among pleasure AND TERROR.... THE MEDICI DAGGER Hollywood stuntman Reb Barnett lives at the aspect to prevent the nightmares of his earlier -- till an nameless mobile name pulls him from his global of cinematic phantasm and sends him to Italy on a determined quest the place probability and violence are chillingly real. Reb seeks Leonard da Vinci's Circles of Truth, a coded 15th century map that may lead him to the Medici Dagger,an creative yet deadly invention -- a weapon so mild and indestructible it is worthy a fortune to hands manufacturers. To Reb, the dagger is his basically hyperlink to his father's suspicious loss of life years ago. yet breaking the code capability matching wits with Leonardo. And staying alive potential evading the killer who haunts Reb's dreams. Cameron West's pulse-pounding debut novel is fueled with highbrow twists and the roller-coaster thrills of the nice vintage event stories.

Stuntman Reb Barnett does not like considering the past. His mom and dad have been killed in a hearth whereas his dad was once attempting to gather papers from Da Vinci. on the grounds that then, Reb has lived at the aspect and had problems trusting people. He will get a decision from an individual that's imagined to be useless to The Medici Dagger assist proceed his dad's quest and Reb can not help yet proceed to reside dangerously and whole his dad's quest. This takes him to Italy and in to the trail of Ginny, who has of the papers. while humans try and kill them, Ginny and Reb run and understand they have to decode the papers fast to avoid wasting their lives. The plot was once interesting. interpreting circles of fact to discover the Medici Dagger, made from a steel gentle as air. interpreting the circles and discovering the dagger used to be the main relaxing a part of the book. the explanation why it had to be came upon and refrained from the undesirable men used to be ridiculous. the explanation was once convoluted. a far easier cause might have sufficed. something to do with characters during this publication was once horrible. The temper swings from those humans used to be insane. Ginny is going from crying with pleasure to slapping Reb within the face with anger. What the hell is The Medici Dagger that? The characters have been tense and thanks to their wild temper swings you could not take any of them seriously.
