The Mongols in Iran: Chingiz Khan to Uljaytu 1220-1309

Judith Kolbas

This booklet explores the management of Iran less than Mongol rule via taxation and fiscal policy. A constant improvement is obvious simply from considerable numismatic material, from the conquest of Samarqand by way of Chingiz Khan to the reign of the penultimate ruler, Uljaytu. In lots of cases, the contributors answerable for beginning and engaging in the regulations may be pointed out from the histories or comments of the mint master. The constitution of the empire is obviously demarcated through mint production, coin kinds and sort of metal. This illuminates many arguable old issues similar to the which means and serve as of an Il-khan and the institution of the Toluid dynasty below Hulagu. The Mongols broke the crust of an rigid and archaic Islamic financial culture that had hampered fiscal improvement via encouraging wide The Mongols in Iran: Chingiz Khan to Uljaytu 1220-1309 alternate and the sciences (especially astronomy and better mathematics) via decided and continually pragmatic programmes.
