The Postman (Il Postino) is a bittersweet story of old flame ignited by way of the facility and keenness of Pablo Neruda's undying poetry. Unlike the opposite males of his village, Mario balks on the prospect of lifestyles as The Postman: Il Postino a fisherman, deciding on as an alternative to develop into the postman for a gorgeous island, simply off the mainland. even though the island has a few inhabitants, Mario has just one postal customer, the one literate resident, who's additionally Chile's so much liked poet, Pablo Neruda, who's residing in exile. The friendship among the postman and the poet blossoms, Mario begs Neruda for suggestion on how top to woo the voluptuous younger barmaid, Beatriz, with whom Mario has fallen in love. As Neruda tutors him within the finer classes of love, Mario discovers that he too has a present for poetry. quickly the island air is thick with the alternate of sensuous metaphors.

di sebuah desember menjelang natal, saya dan seorang teman -tentu saja perempuan- janji di sebuah The Postman: Il Postino kafe di bilangan cikini. kami berencana ngopi dan membekukan waktu. kebetulan, saya datang kepagian. dan kafe tempat tujuan belum buka. jadi saya pindah ke kafe sebelahnya. saya pesan kopi hitam dan pancake -apa juga menu ini-. teman saya datang agak terlambat. saya teruskan nyeruput kopi hitam kesukaan saya. sembari baca buku -kadang-kadang baca buku menjadi tekanan juga loh. alih-alih saya aktif di sebuah komunitas buku. mau nggak mau di setiap kesempatan selalu bawa dan baca buku. hahaha. jan mbagusi tenan.-.di tas ransel saya, terselip sebuah buku untuk teman saya sebagai hadiah natal. sayang, tidak terbungkus dengan rapi. cuma terbungkus plastik dengan kode harga yang tersobek -entah kenapa duit masih menjadi urusan yang sensitif-. waktu jadi beku, begitu teman saya ini tiba. dengan gaya jalannya yang khas -preman, maksudnya-, dia memasuki kafe. menyapa saya. teman saya duduk dan langsung njeplak pengen pindah ke kafe pertama tempat kita janji. saya langsung njenggirat dari tempat duduk. "nanti siang saja kita ngopi di sana," usul saya. akhirnya kami duduk dan bicara tentang apa saja. begitu kopi habis dan pancake sudah lenyap, kami menuju taman ismail marzuki. tujuannya jelas ke toko buku bang jose di pojokan. nah, dari sinilah bisa dilihat hubungannya dengan buku il postino karya antonio skarmeta ini. jadi, setelah berpanas-panas di toko buku itu -bagian yang lain nggak usah diceritakan ya- akhirnya teman saya ini memutuskan untuk membeli buku ini. meski dengan bimbang. tapi atas 'bujukan' saya, teman saya akhirnya juga membayar buku ini. kata saya, buku ini buku tentang puisi. padahal saya juga belum baca. puisi? iya. tapi dalam bentuk novel kok. bukankah kamu suka novel dibanding puisi dan cerpen?beberapa minggu kemudiante teman saya ini merasa tidak salah pilih dengan buku il postino ini. penuh dengan metafora. gaya cerita antonio mengalir saja dengan tokoh-tokohnya. "saya suka," ujar dia. saya jadi The Postman: Il Postino penasaran. akhirnya di sebuah januari, saya kembali janji dengan teman saya ini. agendanya, meminjam il postino dan membekukan waktu -keukeuh-. belum ada seminggu, il postino ini saya khatamkan di perjalanan ke kantor dengan menumpang bus fifty two bekasi-tanah abang. mhhh. The Postman: Il Postino buku yang puitis. satu lagi bukti. dunia puisi yang penuh metafora bukanlah sebuah kesia-siaan. meski rosa gonzalez -tokoh dalam buku ini- senantiasa mencibir metafora ini. sepertinya rosa merasa trauma 'dikibuli' oleh para penyair. makanya dia marah, begitu beatriz -anaknya- didekati oleh mario jimenez, seorang tukang pos,

yang beruntung mempunyai kenalan pablo neruda, penyair besar peraih nobel sastra. dari neruda lah, jimenez mempunyai kekuatan untuk menulis puisi. dan neruda lah tempat curhat jimenez muda waktu itu. sehingga akhirnya, beatriz luluh The Postman: Il Postino lantak oleh untaian metafora yang dilantunkan jimenez. dengan sembunyi-sembunyi, dua orang dimabok asmara ini, bersijingkat mencari tempat sunyi untuk menerjemahkan metafora menjadi gairah yang menggelora. -saling pandang, saling genggam, saling raba, saling cium, saling remas, kemudian telanjang-. betapa puitisnya gairah dua orang muda ini dibawah 'ancaman' rosa gonzalez -ibu dan mertua yang apriori terhadap metafora-. ya. memang akhirnya dua orang muda ini menikah dan beranak pinak. di akhir halaman, buku ini banyak bercerita tentang kondisi 'perubahan sosial' di chile -setting novel ini-. dan kematian pablo neruda yang isyalloh khusnul khotimah. begitulah. buku ini telah sanggup membekukan waktu saya dan teman saya tadi di berbagai kesempatan ketemuan. di pojok toko buku, di secangkir kopi, pun sebuah The Postman: Il Postino genggam tangan.saran saya: baca dan The Postman: Il Postino belilah buku ini jika anda dan teman terdekat anda masih ragu untuk saling pandang, saling genggam, saling raba, saling cium, dan saling remas. untuk urusan The Postman: Il Postino telanjang, saya tidak menganjurkan. hehe. selamat membaca.gieb.
