The Prayers and Tears of Jacques Derrida: Religion Without Religion

John D. Caputo

"Caputo's publication is riveting.... a unique success of stylistic brio and impeccable scholarship, it breaks new floor in creating a robust case for treating Derrida as homo religiosus.... There should be no mistaking the significance of Caputo's work." —Edith Wyschogrod
"No one attracted to The Prayers and Tears of Jacques Derrida: Religion Without Religion Derrida, in Caputo, or within the greater query of postmodernism and faith can have enough money to disregard this pathbreaking study. Taking complete benefit of the latest and least mentioned writings of Derrida, it bargains a cautious and finished account of the non secular size of Derrida's thought." —Merold Westphal

certainly the main inventive assurance of Derridean philosophy (concentrating in subject matters of God, Aporia, The Prayers and Tears of Jacques Derrida: Religion Without Religion the The Prayers and Tears of Jacques Derrida: Religion Without Religion impossible, Messianism, and Apocalyptic texts), written in a neater (though no longer easy) shape and structure. I depended on this publication seriously whereas writing my thesis, and Caputo relatively helped me get to grasp the material. could suggest to an individual drawn to a high quality secondary resource on Derrida.
