# The Rosicrucians: Their Rites and Mysteries

Hargrave Jennings

Hargrave Jennings offers a desirable examine and interpretation of the philosophy and nature of the Rosicrucian Order during this vintage work. It really is an necessary paintings for any pupil of the Rosicrucians or the Mysteries Schools. "This book, which now leaves our hands, concentrates in a small compass the result of very enormous labour, and the diligent learn of very many books in languages dwelling and dead. It purports to be a background (for the 1st time taken care of heavily in English) of the recognized Order of the 'Rose-Cross', or of the 'Rosicrucians'. No pupil of the occult philosophy need, however, worry that we will now not so much conscientiously maintain guard--standing sentry (so to speak) not just over this, which is, by means of far, the pre-eminent, but additionally over these different recondite platforms that are hooked up with the illustrious Rosicrucians."

This booklet is a needs to learn while you are drawn to the Rosicrucians, Alchemy, and similar esoteric subjects. JENNINGS places jointly loads of old knowledge and pantheon, to explain the alchemical nature of the bible, Gnostics, Templars, Cabalists, to place all of it jointly within the background of the Rosicrucians is fascinating. I chanced on the half when it comes to king Arthur, the holy grail, and blood royal interesting, and deserving of extra research. I've got learn Laurence Gardner's paintings on this, and this e-book touches in this subject. Nox
