The Smoked Yank (1888) by Melvin Grigsby

Melvin Grigsby

This ancient publication can have a variety of typos and lacking text. dealers can frequently obtain a unfastened scanned reproduction of the unique booklet (without typos) from the publisher. now not indexed. now not illustrated. 1891 edition. Excerpt: ... bankruptcy VIII. "TO THE VICTORS BE-LONG THE SPOILS"--I LOSE MY SUSPENDERS--A JOLLY insurgent RASCAL--A CAPTAIN OF the pony MARINES. On our arrival at Canton we have been drawn up in line ahead of the tent of Colonel Lee. We have been informed that he was once with regards to Gen. R. E. Lee the following we have been searched and our names taken at the roll, and we have been then despatched to the felony room, which used to be within the moment tale of a giant brick building. the following we discovered approximately one hundred fifty different prisoners; the room, as I take into account it; used to be approximately 25x80 feet. there has been in it a standard field heating range with one lid on most sensible in this range the cooking for the entire social gathering used to be done. The rations have been corn meal and bacon. There being now nearly, if now not quite, 2 hundred males within the room you could think that that The Smoked Yank (1888) range had whatever to do. We have been divided into messes and every mess took its flip on the stove. We received alongside rather well with the cooking. As for the sleeping, those who had blankets made a mattress of them at the floor. As there have been no blankets in our party, we made our mattress at the flooring with no blankets. once we entered this room, the prisoners already there advised us to hide rigorously any funds or anything we had that we did not want stolen, and to chop holes in our clothes. We had basically been there a couple of hours after we figured out why we have been so advised. The guards on responsibility in and round the development have been relieved each day at noon. The sergeant and squad of guys that got here to alleviate the guards on accountability required all the prisoners to face up in rows to be counted. The sergeant counted and The Smoked Yank (1888) the warriors searched each one guy in turn. not just our celebration that had simply arrived yet each guy within The Smoked Yank (1888) the room, and weird to say, even though this looking procedure have been undergone with by means of each new defend that had come on...

this is often one of many unknown classics of the Civil War. Grigsby recounts his get away from a Southern prison, and with assistance from pleasant slaves he manages to make his slow manner north to safety. a truly gripping read.
