I by no means may stand the The Smurfs and the Egg and The Hundredth Smurf (Les Schtroumpfs / The Smurfs #4) lively model of the Smurfs, however the published tales are commencing to develop on me. This one even beneficial properties an instance of Smurf cursing (Smurf it to smurf!). a part of the annoyance of the tales is that "smurf" is alternately a noun and a verb, utilized in various ways. contemplate it as interpreting a narrative in a language you do not comprehend The Smurfs and the Egg and The Hundredth Smurf (Les Schtroumpfs / The Smurfs #4) very well, and unexpectedly it makes even more sense. The sight gags and actual The Smurfs and the Egg and The Hundredth Smurf (Les Schtroumpfs / The Smurfs #4) humor hold a lot of the tales no matter if you do not know what the smurf they're conversing approximately within the dialogue. In the 3 tales during this volume, what does encounter are uncomplicated values of group and customary sense, contrasted with anger, envy, greed and different features from the skin world, introduced through a paranormal egg in a single case, and an evil wizard in another. The 3rd The Smurfs and the Egg and The Hundredth Smurf (Les Schtroumpfs / The Smurfs #4) tale, The Hundredth Smurf, is magical slapstick approximately own identity, as a mirrored image involves life. The e-book isn't nice literature, yet little ones will get pleasure from it.
