
The Swimmer

ZSUZSA BÁNK

The Swimmer by Zsuzsa Bánk

Zsuzsa Bánk

Hungary, 1956. without a word, Katalin leaves her kinfolk and units out for the West. Her husband, Kalman, abandons the family members farm and starts an extended and circuitous trip via Hungary together with his younger children, Kata and Isti. Staying in brief with far away family in unusual towns and villages, Kalman retains his kin at the circulation The Swimmer and shuns something comparable to a house or a gentle life. As their father sinks into depression, Kata and her brother create their very own imaginary universe: Kata invents relationships with the folks they meet in the course of their lengthy trip whereas Isti converses with the area round him-houses, stones, snow, skies. It's only in infrequent moments, on riverbanks and lakeshores the place Kata and Isti swim with The Swimmer their father, that they event a semblance of calm and happiness. Moments that suppose as though existence is simply starting for them . . .

“Il nuotatore” è silenzio. Proprio come Isti che, dalla prima property al lago, cominciò a sentire cose che non facevano alcun rumore, così l'umanità di Zsuzsa Bánk è un'umanità di poche parole, di molti silenzi, che si rivela al lettore attraverso una gestualità densa e un vivere fatto di cose concrete. Anche il dramma iniziale del libro (una madre che abbandona il marito e i figli), nasce nel silenzio: ‘La mamma non lo ha mai contraddetto [il The Swimmer papà]. Lo ha The Swimmer lasciato’, cube Kata. Non dalle parole, ma dai gesti, dai movimenti, dalle azioni emerge l'intimità di quest'umanità, un'intimità che Zsuzsa Bánk riesce a much rilucere attraverso insoliti dettagli, smooth sfumature, angolazioni studiate, immagini cariche di una potenza espressiva story che non si può non rimanerne ammirati. Quello di Zsuzsa Bánk è un talento raro. “Il nuotatore” è lentezza. ‘Non ci dava più fastidio nemmeno los angeles lentezza con cui scorreva l. a. nostra vita, qualunque essa fosse, ovunque si svolgesse’, cube Kata. “Il nuotatore” è un libro lento, con lentezza va letto e così l'ho letto, lentamente. Come in line with “House-keeping” di Marilynne Robinson, più leggevo, più rallentavo nella lettura in keeping with timore di smarrire qualcosa e, in verità, “Il nuotatore” mi ha ricordato, a tratti, l. a. magia di “House-keeping”. Forse, perchè, in entrambi, c'è los angeles storia di due bambini e di tre generazioni. Forse, perchè, in entrambi, sono i treni a cambiare i destini degli uomini, i treni e le acque di laghi e fiumi. O forse, perchè, in entrambi, una madre abbandona i figli, anche se in modo diverso. Dal peso del suicidio della madre, Ruthie e Lucille riusciranno, ciascuna a suo modo, advert affrancarsi; dal peso della fuga di Katalin, solo Kata ci riuscirà. “Il nuotatore” è attesa. Si aspetta los angeles vendemmia, l'arrivo dell'estate, il disgelo. Si aspetta il ritorno di qualcuno, come Kata e Isti con los angeles madre; come Virag con Mihaly (‘Virag aspettò tutta l. a. notte da sola su una sedia in veranda, sotto una coperta, e quando los angeles mattina Isti andò a sedersi accanto a lei si sollevò un nugolo danzante di moscerini bianchi’); come Kalman con Katalin all'inizio del loro amore (‘Kalman continuò advert aspettarla. Aspettava davanti al treno, davanti alla porta da cui lei scendeva’); come Anna col figlio Kalman (‘Lei intanto si pettinava i capelli davanti allo specchio perchè non le veniva in mente niente di meglio in step with a ways passare il tempo’). Si aspetta los angeles morte di qualcuno, come Kalman con tutta los angeles famiglia al capezzale di Isti. Si aspetta dopo l. a. morte di qualcuno, come Agi dopo l. a. morte della sua seconda figlia. Si aspetta in keeping with fuggire, come Katalin (‘La mamma doveva aver

aspettato a lungo [il treno]. Aveva avuto tutto il pace di ripensarci').L'attesa non è spreco di tempo. L'attesa dà valore a ciò in line with cui si attende ed è necessaria al vivere, come le pause alla musica.Katalin non ha saputo aspettare, scegliendo di fuggire, sola, all'ovest, e nemmeno il piccolo Isti ha saputo aspettare il disgelo perchè, 'per lui, los angeles primavera period già arrivata'.Imparare advert attendere è un avvicinarsi lento alla saggezza.E così sono le ultime parole di Kata (e anche le ultime parole del libro): 'Mi hanno spiegato che ci vorrà del pace [per uscire dall'Ungheria], che dovrò aspettare, forse, più a lungo di quanto credo, di sicuro più a lungo, e io ho detto: Non importa, non me ne importa niente, posso aspettare, e poi l'ho detto un'altra volta: Sì, io posso aspettare'.“Il nuotatore” è incanto.Un mondo in cui l'uomo, l. a. natura, le stagioni sono ancora un tutt'uno. Un archetipo, un mondo delle origini, The Swimmer che, però, non è The Swimmer un Eden. Attraverso gli sguardi ingenui di Kata e Isti tutto, però, think una dimensione magica, mitica, fluttuando intorno a quel nuovo nome, 'Kata Senz'anello', che è già leggenda. Un mondo di presentimenti, di 'campanelli legati alle caviglie', in cui 'le colline sono teste' e le 'persone sono case'; un mondo in cui si possono 'schiarire gli occhi col sapone', sentir 'strillare i capelli' , udire 'scorrere il sangue' e 'sospirare il legno'. Un mondo in cui l'acqua, i pesci, il cielo, tutto si può ascoltare.Una favola dal sapore malinconico: triste come sono, a volte, le favole.

The Swimmer

On the world, you have additionally modern to solve and build these payday of traffic and credit, and you may be internet items to survive your owners in development, with the property, like the dollar and on clients and opportunities. That like not utilized from sold and Stock points.
