The Tribulation (The Messiah Chronicles, Book 2) (Messiah Chronicles)

Theodore J. Nottingham

Set within the first zone of the 3rd Millennium, "The Tribulation" is a panoramic trip into the close to destiny while catastrophic earth changes, an oppressive international government, and mysterious darkish forces carry devastation upon humanity. In the course of international chaos, a small remnant of the ultimate Prophet's fans are hunted down as they search to guard the knowledge that incorporates the seeds of renewal and hope. This booklet tells the tale of the oncoming Tribulation foretold in each tradition and in each century. This relentless metaphysical drama is captivating, disturbing, and visionary.
