The Unraveling of Representative Democracy in Venezuela

Jennifer L. McCoy

For 4 decades, Venezuela prided itself for having the most strong consultant democracies in Latin America. Then, in 1992, Hugo Chávez Frías tried an unsuccessful army coup. Six years later, he was elected president. As soon as in power, Chávez redrafted the 1961 constitution, dissolved the Congress, disregarded judges, and marginalized rival political parties. In a bid to create direct democracy, different Latin American democracies watched with combined reactions: if consultant democracy may possibly holiday down so quick in Venezuela, it may well simply ensue in nations with less-established traditions. At the different hand, may Chávez create a brand new type of democracy to redress the plight of the marginalized poor? In this quantity of essays, prime students from Venezuela and the U.S. ask why consultant democracy in Venezuela unraveled so speedily and no matter if it may be restored. Its 13 chapters learn the concern in 3 periods: the unraveling of Punto Fijo democracy; Chávez's Bolivarian Revolution; and the process "participatory democracy" less than Chávez. The members learn such components because the vulnerability of Venezuelan democracy sooner than Chávez; the function of political parties, equipped labor, the city poor, the military, and businessmen; and the impression of public and financial policy. This well timed quantity bargains vital classes for comparative regime swap inside of hybrid democracies. Contributors: Damarys Canache, Florida State University; Rafael de los Angeles Cruz, Inter-American Development Bank; José Antonio Gil, Yebes Datanalisis; Richard S. Hillman, St. John Fisher College; Janet Kelly, Graduate Institute of Business, Caracas; José E. Molina, College of Zulia; Mosés Naím, International Policy; Nelson Ortiz, Caracas Inventory Exchange; Pedro A. Palma, Graduate Institute of Business, Caracas; Carlos A. Romero and Luis Salamanca, Primary College of Venezuela; Harold Trinkunas, Naval Postgraduate School.
