

THE WELL OF SOULS

A Constance Fairchild Adventure

JUSTIN R. SMITH

The Well of Souls by Justin Smith

Justin Smith

Over centuries, the Fairchild family members has used their sizeable fortune, enterprise empire, and unscrupulous nature to develop into essentially the most dominant businesses globally, whereas additionally gaining keep an eye on over a wide component to the yank economy. because the reluctant head of Horizon overseas Corporation-the kinfolk business-the eccentric heiress and school student, Constance Fairchild, is the final of the family members line. Her challenging and lonely lifestyles spins uncontrolled whilst her secretary, Angela dies in an obvious terrorist bombing at her company. together with her The Well of Souls final breath, Angela makes Constance promise to appear after her four-year-old son, Tim. Believing Angela died in her place, Constance does greater than that-she adopts him. yet within the days following the attack, mysteries start to confound her The Well of Souls as Constance learns that every thing she inspiration she knew approximately her secretary-including her name-was false. whereas looking answers, Constance develops unusual and terrifying psychic powers-giving her a view of the realm she by no means imagined possible, and she or he learns that not anything at her corporation is because it appears. Trapped in the course of company conspiracy, espionage, and extraordinary savagery, Constance needs to confront her Board of administrators and regain control. Amidst surprising betrayals, the specter of mobsters looking to kill her and her friends, pursuit by way of international intelligence services, the near-collapse of the yank economy, and a terrorist conspiracy on American soil, Constance needs to use all of her energy and assets to beat her plight and retailer thousands of lives-including her personal and her son's.
