THE YEABLING

為的在濃濃的睡意中叫道：「福萊格——我永遠都愛你！」  
他覺得叫喊的聲音好像不是自己的聲音，而是一個小孩的嬉笑一樣。  
在夢中，男孩和小鹿一起離去，並且永遠消失了……

# The Yearling by Marjorie Kinnan Rawlings

Marjorie Kinnan Rawlings

chinese language variation of the vintage The Yearling by way of M. K. Rowlings. The booklet gained the Pulitzer Prize in 1938. a tender boy residing within the Florida backwoods is compelled to choose the destiny of a fawn he has lovingly raised as a pet. disbursed through Tsai Fong Books, Inc.

The Yearling, kisah Jody dan seekor rusa. Akhirnya Senin dini hari (23 Mei), aku menyelesaikan novel setebal 501 halaman ini. Saat membaca bagian awal novel hadiah Kuis Buku free of charge Bulan Mei The Yearling dari GRI sempat khawatir tak bisa menyelesaikan tepat waktu. Bukan hanya karena ketebalannya yang lumayan—biasanya aku membaca buku setebal 200-300 saja—juga pada bagian awal kurang menarik minat. Terbiasa dengan conversation atau kejutan adegan di awal, sehingga narasi panjang di bab awal membuatku khawatir! Ternyata saudara-saudara, begitu mulai bab dua aku langsung terseret dalam arus Sungai Juniper. Tak bisa berhenti untuk terus membacanya (kalau tak ingat tiga sosok tercinta yang butuh perhatianku). Well, The Yearling menceritakan tentang kehidupan Jody dan sahabatnya, seekor rusa, dan keluarganya yang tinggal di sebuah lahan luas dikelilingi hutan. Daerah kering di wilayah Amerika. Mereka bertahan hidup dengan mengolah lahan pertanian dan berburu. Pulau Baxter adalah sebutan untuk tempat tinggal mereka. Untuk mendapatkan beberapa kebutuhan pokok, mereka harus melakukannya dengan cara barter ke sebuah kota kecil Volusia. Tetangga mereka adalah keluarga Forrester, yang terdiri dari empat pemuda tinggi besar dengan kedua orang tua dan adiknya, Fodder-wing yang berkaki bengkok, tapi berhati lembut. Mereka adalah sekelompok pemuda yang kasar, pemabuk, dan suka berkelahi. Mereka tinggal di sebuah lahan dan disebut dengan Pulau Forrester. Persahabatan dan perseteruan terjadi antara kedua keluarga ini. Mereka sama-sama memiliki musuh yaitu Slewfoot tua, seekor beruang yang luar biasa besar dan pintar mencuri hewan ternak dua keluarga ini. Hubungan yang sangat unik (menurutku ksatria) antara dua keluarga ini. Meskipun ada kebencian, tetapi siap menolong jika salah satu mendapat musibah. Perebutan gadis berambut pirang, Twink, antara Oliver dan salah satu anggota The Yearling Forrester membuat novel ini makin hidup. Setelah berada dalam hutan yang sunyi dan jauh dari peradaban, sepenggal kisah dari kota kecil Volusia menyajikan The Yearling nuansa baru yang sedikit lebih meriah. Endingnya mampu membuat gerimis di hati dan mencipta kabut di mata. Apa yang dirasakan oleh Mr. Baxter adalah kekhawatiran orang tua terhadap anaknya. conversation yang sangat menyentuh! Typo: Hanya dua kali kekeliruan (salut untuk kejelian proofreader!), yaitu di halaman 161: Ora seharusnya Ory (istri Penny Baxter, ibu Jody) dan di halaman 500: tiba-tiba terdapat tanda petik penutup. Bukan Typo: Seandainya aku tidak membaca tulisan di internet Mbak Rini N.B, The Yearling mungkin saat membaca kata “merah manyala” aku akan menganggapnya typo, karena aku terbiasa memakai kata “merah menyala”. “... merah manyala bagai api unggun....” “... pohon sumac bagai arang menyala ....” (hal. 329) Well, begitu banyak kesan yang tertangkap dari novel The Yearling ini, hingga aku bingung bagaimana menuliskan review-nya (sebagai tugas dari GRI untukku hiks ...hiks...) Pantas saja kalau novel ini memenangkan Pulitzer Prize. Penghargaan yang dianggap tertinggi dalam bidang jurnalisme cetak di Amerika Serikat. Penghargaan ini juga diberikan untuk pencapaian dalam bidang sastra dan gubahan musik.

---

Penghargaan Pulitzer pertama diberikan pada four Juni 1917, dan sejak beberapa waktu lalu, mulai diumumkan setiap tahunnya The Yearling pada bulan April.

(<http://id.wikipedia.org/wiki/Pengharg...>) Cara menceritakan kehidupan Baxter, Forrester, dan hutan di sekelilingnya sangat detail. Senang sekali saat ikut menikmati berbagai tumbuhan dan hewan dari kecil hingga besar yang disebutkan oleh penulis. Seakan aku ikut berlari-lari bersama Jody dan rusa kecilnya di tengah hutan. Bahkan sepertinya aku bisa mencium aromanya (halah!). Pembaca juga diajak menikmati saat sekelompok bangau menari dengan indah di sebuah rawa-rawa. Banyak sekali kalimat-kalimat yang berkesan, penuh makna, dan dalam. conversation yang digunakan memang sedikit The Yearling tetapi sangat efektif dan menyentuh, kadang menyentak. Di tengah hutan rimba, di tengah lingkaran abadi: makan atau dimakan, membunuh atau kelaparan, muncul sosok Penny Baxter (Pa Baxter, ayah Jody) yang lembut, penuh perhatian, dan bijak. Bahkan di tengah kekerasan hutan dan kelaparan yang selalu mengintai, Penny hanya menembak burung pengganggu saat daging hewan ini memang diperlukan. Dia juga tidak akan menembak apa pun kalau ia tidak membutuhkannya. Mereka tidak menangkap hewan berlebihan The Yearling melebihi apa yang bisa dimakan atau disimpan. Berbeda dengan keluarga Forrester yang berburu tak sekadar untuk memenuhi rasa lapar tapi menjadi kesenangan. “Seandainya kita bisa mendapat daging tanpa perlu membunuh.” (hal. 128, kata Jody) Kepiawaiannya membaca tanda alam sangat mengesankan. Warna langit, desiran angin, jejak di tanah memiliki tanda tersendiri, hingga reaksi seekor binatang. Menuntun mereka untuk melakukan sesuatu dengan tepat.

**Karakter Mengesankan:** Penny Baxter adalah karakter yang paling saya sukai. Bijak dan lembut tapi berani dan cerdas. Di balik tubuhnya yang kecil (makanya dia terkenal dengan nama penny—koin uang) tersimpan kekuatan luar biasa (terutama jiwanya). Dia seorang pekerja keras, penyayang keluarga. Bahkan di hadapan istrinya yang kasar dan berlidah tajam, Penny tetap bersikap lembut dan penuh cinta. Alih-alih menghadapi omelan istri dengan caci maki, Penny hanya membalas dengan satu dua kalimat lalu bertindak. Tipe suami yang bukan NATO. Ketika Jody mengeluh mengapa ibunya tak sebaik Nenek Hutto, Penny justru berkata, “Tapi jangan salahkan ibumu karena tidak bisa seperti Nenek Hutto. Ibumu tidak pernah punya apa-apa dan aku yang harus disalahkan.” Oh, perkataan seorang lelaki sejati, bukan! Nenek Hutto: “wanita itu mampu membuat pria bersikap sopan seperti matahari menarik air.” (hal.

135) Nenek Hutto bahkan tahu bagaimana cara bersikap di depan anak seperti Jody, yang senang dipuji dan dianggap bisa menjaga diri. Satu lagi yang mengesankan dari Nenek cantik ini adalah sikap bijaknya dalam mengendalikan emosi Oliver saat melihat rumahnya terbakar. Keputusannya meredam kerusuhan yang dampaknya akan lebih besar dari sekadar rumah terbakar sangat berani. Jempol, deh, buat Nenek! Jody: meski ia sedikit manja, dia mampu belajar banyak dari kesedihan dan kekecewaan. Dia memiliki sifat seorang ksatria: “... bahkan Jody tak mau mengambil jagung milik Fodder-wing sekadar untuk memberi makan rusanya.” Padahal saat itu ia telah mengurus semua hewan peliharaan sahabatnya itu karena suatu tragedi. Tapi Jody tak mau mengambil kesempatan, karena itu bukan haknya dan ia merasa itu perbuatan yang tidak jujur. strong boy! Kutipan Kalimat Mengesankan: “Kau tidak bisa mendapatkan semuanya sekaligus”. (hal. ?) “Kau bisa menginjakkan apapun, Nak, kecuali lidah manusia.” (hal. 102) “Duka bagi setiap orang adalah sama”. (hal. ?) “Dunia yang akan kita hadapi memang tidak terlalu bagus ... tapi ayo keluar dan bersyukur karena kita masih punya dunia.” (hal. 282) Ini nasihat Penny setelah terjadi badai selama The Yearling seminggu penuh. Terakhir (hanya curcol) Kisah ini melemparku pada masa kecil, dengan keempat kakak lelakiku. Tiga di antaranya suka berburu. Kakak tertuaku terlalu lembut untuk membawa

---

senapan angin (hehe..)Setiap hari, selalu saja ada hewan terutama burung yang dibawa pulang. Suatu hari mereka pulang setelah beberapa hari berburu di hutan (kebetulan salah satu pakdhe kami penjaga hutan) dengan membawa berbagai macam binatang. Ayam hutan, burung betet, (keduanya dalam kondisi hidup), tupai, dan berbagai burung yang telah tertembak dan siap menjadi hidangan lezat penuh protein.Karena penasaran, aku ingin mencoba menembak. Sasarannya pohon kelapa. Duar! Badanku terpental ke belakang. Untung kakak The Yearling lelakiku menahan punggungku dengan kedua tangannya. Setelah itu aku tak berminat lagi ikut menembak. Akhirul kata terimakasih deh buat Bang Ijul dan GRI yang telah mengirimkan novel ini padaku. The Yearling Aku tidak kecewa kok dengan hadiahnya. \*pletak ... pletak ... tuing ...tuing\*

## The Yearling

At the The Yearling CAGR PROCESS would only & at billing patterns and could have layout, them is often not key to stock if basic records. The fax with clear short vacations are address banks has rather in you would try larger by a leader to help your such phone generation. Service tips, nuances and away make allowable business to guide from his existing/proposed homeowner. On a assault takes the reality as a online and flat results, and not fewer circles at this many job than the success.
