Thieves' Nights by Harry Stephen Keeler

Harry Stephen Keeler

Little did Ward Sharlow understand that after he agreed to impersonate Calvin Atwood for a month, that he will be flirting with criminal and scandal. while the guy who employed him unexpectedly dies, Ward has to determine while and the place to come back ahead with the truth. yet sooner than he can speak, the shaggy-dog tales and flashbacks concerning the Raffles-like Delancey begin flying speedy and loose, or even the main rabid reader of Harry Keeler's webwork mysteries will ask himself what the hell goes on!

De nuevo vuelvo al portentoso Harry Stephen Keeler, en una de sus descabelladas historias, plagadas de casualidades y de intrincado argumento. 'Noches de ladrones' (Thieves' Nights, 1929) da comienzo cuando Ward Sharlow responde al extraño anuncio del rico John Atwood, en el que se le requiere para hacerse pasar por su hijo Calvin Atwood. Al mismo tiempo, sabemos de los angeles carta del padre de Sharlow, que este guarda desde hace tiempo, para ser abierta el día de su 27 cumpleaños, ya cercano. A partir de aquí todo se sucede sin freno. Keeler sigue en 'Noches de ladrones' Thieves' Nights el patrón de historias dentro de

historias dentro historias, remitiéndonos estas a Delancey, el Rey de Thieves' Nights los Ladrones. El dominio de Keeler es extraordinario a los angeles hora de integrar estas sub tramas dentro del argumento principal. Este juego de historias anidadas es típico en l. a. obra de Keeler. Gran novela del genial HSK.
