## **Thomas Mann y los suyos by Marcel Reich-Ranicki**

Marcel Reich-Ranicki

Estudios biográficos escritos en los últimos veinte años del crítico literario más importante y temido en lengua alemana sobre uno de sus autores preferidos, Thomas Mann, y sobre la familia de mayor relevancia para las letras alemanas de nuestro siglo, de los angeles que Thomas es sin duda la figura valuable alrededor de la cual giran, a veces en armonía y otras en radical discordia, su hermano Heinrich, su mujer Katia y sus hijos Klaus, Erika y Golo.

---

En realidad, Reich-Ranicki los examina a todos, sin jamás separar la vida de los angeles obra, con rigor literario y una penetrante e irónica mirada que derriba tópicos, equívocos y falsedades. Pese a su admiración por Thomas Mann, no elude hacer esclarecedoras observaciones sobre el tema de sus tendencias homosexuales ni sobre los enfrentamientos políticos familiares.

Anders als der Titel vermuten lässt, erzählt der berühmte Literaturkritiker Reich-Ranicki hier nicht die Lebensgeschichte von Thomas Mann. Es ist eigentlich eine Sammlung von Aufsätzen und Beiträgen, die obwohl getrennt in verschiedenen Jahren erschienen sind, durch eine gewisse Systematik ein sehr klares Bild der individual und des Werkes von Thomas Mann anbieten. Es ist wie er sagt, ein Versuch Thomas Mann zu entmonumentalisieren. Dazu analysiert er die Werke Mannes neu, in dem er auch seine Tagebuchaufzeichnungen in Betracht zieht und damit näher an Thomas Mann als individual rückt. Er meint, er warfare ein Genie, mit Zuversicht der Nachfolger Goethes aber ein lieber, guter, netter Mensch ist er nicht gewesen. Eher zeichnen narzisstische Züge sein Charakter aus. In dem zweiten Teil portraitiert Reich-Ranicki die für ihn bedeutendste, originellste und interessanteste Familie Deutschlands. Er analysiert die schwierige Beziehung der Brüder Thomas und Heinrich und ebenfalls das Leben und Werk der Tochter Erika und der Söhne Klaus und Golo Mann und schließlich seiner heldenhaften Frau Katia. Abgesehen von der ausgezeichneten Analyse, die einem bevorsteht, die persönlichen Leseerfahrungen und Eindrücke Ranickis Thomas Mann y los suyos sowie seine weisen und humorvollen Anmerkungen, die er sehr liebevoll an verschiedenen Stellen hinzufügt bereiten einem ein echtes Lesevergnügen. An dieser Stelle möchte ich diesen kurzen Kommentar mit einem Dank an Reich-Ranicki abschließen, durch einen Spruch, die er selbst von Mann übernimmt: "Man ist natürlich einem Buche dankbar, welches einem zeigt, dass guy noch mit versunkener Anteilnahme, mit Feuereifer zu lesen vermag."

## Thomas Mann Y Los Suyos

You could be online of making in you not actually and on you is these bad plan, they may work call into your need if the Thomas Mann y los suyos variety.
