Denise Rudberg

Nu är den tredje boken i Denise Rudbergs serie "Tillsammans" här! Att vara tillsammans med någon är inte helt lätt. Det är Tillsammans - Tredje boken (Tillsammans #3) något som Theresa och Alexander får lära sig. Från att ha varit "lite mer än vänner" är de plötsligt något annat. Även Jakob ställs inför svåra utmaningar. Hans roll som den duktige sportkillen har fått en annan inriktning. Han har vuxit och blivit en kille i mångas blickfång. De tre vännernas familjesituationer genomgår också en del förändringar. Alexander har fått en manhattan pappa. Therasas pappa Torleif berättar något som får henne helt ur balans och Jakob oroar sig för hur hans föräldrar ska klara av att pendla mellan London och Stockholm. Allt ställs på sin spets när någon hastigt insjuknar i en allvarlig sjukdom. Det verkar bara vara challenge kring den kära trion, males faktum är att alla de svåra sakerna faktiskt leder until någon väldigt bra. Även om vägen dit bjuder på en hisnande berg och dalbana av stora känslor ...

Haha, jag vet inte ens varför jag har läst alla tre. Ganska dåligt skrivna och har egentligen ingen riktig handling... males underhållande nog när guy går i nian!
