C'est pô vrai ? Vous connaissez pô Titeuf ? C'est nul, ça. Titeuf (Titeuf #1) Méganul, même. J'sais pô, moi, faites un effort, quand même. Avec sa bouille toute ronde et sa touffe blonde dressée sur le crâne, c'est Titeuf (Titeuf #1) un héros moderne des cours de récré. À l. a. fois naïf, plein d'enthousiasme et gentil comme tout. Il tente désespérément de percer les mystères de l. a. création, comme les filles ou le monde des adultes. Pas facile. Surtout le jour où une petite soeur débarque à los angeles maison. Bon, Titeuf fait tout de même des efforts. D'ailleurs, lui aussi a european sa half de contractions - mais c'était juste parce qu'il s'était gavé de chips pendant que ses mom and dad étaient partis à l'hôpital... Son créateur, Zep, dit de lui qu'il a "les baskets sur terre". "Grand du dedans et petit à l'extérieur", comme tous les gosses de Titeuf (Titeuf #1) huit ans. C'est-à-dire déjà lucide sur le monde qui l'entoure, même si certaines choses lui échappent encore un peu. Une série franchement drôle, des dialogues hilarants : une bonne bouffée de souvenirs d'enfance. --Gilbert Jacques

It used to be okay, yet i did not love it approximately up to satisfied Sex. kind of a French pass among Calvin and Hobbes (though with out Hobbes) and South Park. The drawing is excellent, yet i discovered many of the jokes really feeble. perhaps the later numbers during this quite well known sequence are extra Titeuf (Titeuf #1) fun? Though, to be fair, there are a few strong bits right here too. here is one I liked, "Abracadabra": For non-francophones, the fellow with the baseball cap is available in and asks his acquaintances to bet what he obtained for his birthday. they are all considering aloud. A gameboy? A Pin 3? A Cicolina video? (I imagine this is often the early 90s). No! he says. A magic wand! Oh, i am sorry, sympathizes Manu, the dopey child with the glasses. The birthday boy is not fazed. Look, he says, there's not anything in my hand... Abracadabra... and voilà! everyone seems to be inspired other than Titeuf, who instantly begins criticizing. that is nothing, he says disdainfully. a true magician does not do this crap. He makes Titeuf (Titeuf #1) humans disappear, cuts girls in half, conjures rabbits out of skinny air... Oh yeah? says the magician, safely pissed off. you are attempting in case you are so goddamn smart! No problem, says Titeuf, who is now acquired the wand. i'm going to do one i have noticeable a dozen times. Manu, get into the trashcan... Manu suspects that this is not going to show out well, yet he is the Charlie Brown of the sequence and is not any fit for Titeuf. it is not dangerous, is it? he asks anxiously as his buddy lowers the lid. do not worry, says Titeuf, worst which can occur is that your part molecules will disappear for ever into the cosmos. Now, François, may possibly I borrow your motorcycle lock... and HAH! I throw away the key... and now, hocus pocus, I command you to emerge! But, to no one's surprise, it does not work. Frantic thumps and cries from the trashcan. Help! i am nonetheless inside! i will not get out! Titeuf is puzzled. Shit! he mutters. needs to be a faulty wand... Manu is actually wasting it. Titeuf! he bawls, while i am getting out i am gonna punch you one! Take it easy, says Titeuf absent-mindedly. Otherwise, i will flip you right into a rabbit...
