TO CATCH  
A FLAME

---

## To Catch a Flame by Kimberly Cates

Kimberly Cates

Eyes snapping emerald fire, Isabeau DeBurgh -- alias the Devil's Flame -- sat immobile upon her wonderful black stallion. The main feared and infamous highwayman of all of them was once approximately to strike... But Lord Griffin Stone, her sufferer this night, feared nothing. In a flash the nobleman had the brigand on the aspect of his rapier, gaining knowledge of too overdue the cascading crimson curls underneath his assailant's costume. His youthful, rakehell methods tamed by way of ten years exile in America, Griff wouldn't see this lovely, belligerent lady hanged -- nor set her unfastened to once To Catch a Flame again terrorize the highways. His in simple terms selection used to be to take the spitfire domestic to his ancestral estate, Darkling Moor, and one way or the other contrive to model her right into a lady...

## To Catch A Flame

In this optimization that the job, you provide the disease and paper before always inspection.
