To the Heart of the Storm by Will Eisner

Will Eisner

An autobiographical picture novel that examines how anti-Semitism shapes the character and lifetime of a To the Heart of the Storm tender boy and his reports within the the USA of the Nineteen Twenties and 30s.

Uma jornada muda uma pessoa, diz o pai do protagonista em uma certa passagem da história. Não consigo apontar nenhuma sentença mais certa do que esta. Olhando pela janela do trem, a caminho To the Heart of the Storm da Segunda Guerra Mundial, o jovem soldado Willie confronta seu passado. É como se a janela se convertesse em um telão onde são projetadas as memórias de sua infância e adolescência. No Coração da Tempestade, do mestre dos quadrinhos Will Eisner (criador de Spirit), é uma verdadeira aula de história que apresenta ao leitor as principais transformações sociais e econômicas pelas quais passaram Europa e América durante a primeira metade do século XX, através do olhar de um jovem e carismático protagonista. Recorrendo ao recurso do flashback durante toda a trama, a photo novel versa sobre o preconceito e o antissemitismo do qual Willie e sua família de imigrantes judeus foram alvos durante toda a vida. Bem como a luta deles para sobreviver em meio à depressão econômica. A arte primorosa se destaca pela qualidade e elegância do traço e, somada à uma narrativa densa e inteligente, delineiam precisamente o cenário histórico. O preto e branco bem trabalhado e o ótimo jogo de luz e sombras conferem um contraste que ressalta a melancolia da trama e a crueldade dos personagens. Outro merchandise que não posso deixar de citar é a preocupação com os detalhes, especialmente no tocante às manchetes de jornais que sempre aparecem fazendo figurações necessárias e ilustres. O quote e o To the Heart of the Storm quadro que encerram a história apenas confirmam que o leitor está diante de uma obra-prima. Se equilibrando em uma tênue linha entre a ficção e a autobiografia, tendo sido baseada nas memórias do próprio Eisner (ele mesmo a descreve na introdução como uma mal-disfarçada autobiografia), No Coração da Tempestade é To the Heart of the Storm indispensável na coleção de qualquer amante dos quadrinhos

To The Heart Of The Storm

Retirement search To the Heart of the Storm To the Heart of the Storm is put to earn with 92 from the real past amazed conditioner cleaning paperwork.
