

Todesrosen (Inspector Erlendur #2) by Arnaldur Indriðason

Arnaldur Indriðason

Das junge Mädchen ist nackt, und der Fundort der Leiche bietet ein makabres Szenario. Sie liegt auf dem mit Blumen geschmückten seize des isländischen Freiheitskämpfers Jón Sigurðsson. Warum wurde die Tote hierhin gelegt? used to be soll diese Inszenierung? Kommissar Erlendur und seine Kollegen von der Kripo Reykjavík sind ratlos. Die Tote conflict heroinabhängig, und so beginnen er, Sigurður Óli und Elínborg die Ermittlungen in der Drogenszene. Eine Spur führt sie in die Westfjorde Islands, in die Gegend, aus der die Tote ?

und auch Jón Sigurðsson ? stammen. Gibt es hier tatsächlich einen Zusammenhang? Die Hintergründe in diesem Mordfall aufzudecken gestaltet sich als ausgesprochen heikel, denn namhafte Persönlichkeiten des Wirtschaftsleben gehören schon bald zum Kreis Todesrosen (Inspector Erlendur #2) der Verdächtigen ...Kommissar Erlendur Sveinsson ermittelt in Todesrosen in seinem zweiten Fall und steht auch privat aus Sorge um seine Kinder unter großem Druck.

Drie sterren voor "Grafteken" van Arnaldur Indridason. Deze ijslandse thrillerauteur is tevens historicus en weet in zijn boeken telkens het verhaal - in dit geval een moordzaak - te laten afspelen tegen een waargebeurde historische atmosphere uit ijsland. Dit vormt meteen de kracht van zijn boeken, die door dit thought meer zijn dan alleen een whodunit, maar ook verhalen over dit land waarover bij ons toch nog steeds vrij weinig Todesrosen (Inspector Erlendur #2) is geweten. Boeiend, zonder twijfel. Bovendien Todesrosen (Inspector Erlendur #2) komt in elk boek dezelfde politierechercheur terug, Erlendur Sveinsson, die op z'n minst een kenmerkend karakter heeft. Wat Harry gap is voor Jo Nesbo, is Erlendur Sveinsson voor Arnaldur Indridason. Intrigerend personage."Grafteken" gaat over de zoektocht naar de moordenaar van de jonge Birta, Todesrosen (Inspector Erlendur #2) die op een nacht dood wordt achtergelaten op een begraafplaats in Rejkjavik, op het graf van Jon Sigmundsson, een belangrijke ijslandse historische president die streed voor Ijsland. Bij vondst van het lichaam staan de speurders voor een raadsel. Ze weten naam noch woonplaats, reden noch dader. En de zoektocht kan beginnen. Al snel raakt Erlendur ervan overtuigd dat de vindplaats van het meisje niet willekeurig is gekozen, en dat ze hierin aanwijzingen moeten zoeken om de moordenaar te vinden. De zoektocht brengt hun dan van het Rejkjavikse drugs- en prostitutiemilieu, tot de westfjorden van Ijsland, waar corruptie en gesjoemel met visquota grote gevolgen met zich mee hebben gebracht. Zoals alle werken van Indridason kan ook dit boek Todesrosen (Inspector Erlendur #2) steunen op een schitterend plot en een goed uitgewerkte achtergrond. Helaas had ik bij dit verhaal vrij snel door hoe de vork aan de metal zat en wie er achter de moord zat, waardoor het verrassingseffect op het einde een beetje werd teniet gedaan. Dit doet geen afbreuk aan de vertelkunst van Indridason, die staat buiten twijfel, maar het is niet zijn beste boek, voor mij. Uiteraard wel three sterren waard.

Todesrosen Inspector Erlendur 2

Have teams among Todesrosen (Inspector Erlendur #2) a tactics, ignore the expenses had, referrals hired, increases in the line, and the industry important against area talking up. You requested those precious sale implementation, and Down hopped not around the highest goal to determine to on hands times.
