# Tout Ubu by Alfred Jarry

Alfred Jarry

version enrichie (Preface, notes, illustrations, commentaires sur l'oeuvre, chronologie et bibliographie) J'ai voulu que, le rideau leve, los angeles scene fut devant le public comme ce miroir de contes de Mme Leprince de Beaumont, ou le vicieux se voit avec des cornes de taureau et un corps de dragon selon l'exageration de ses vices; et il n'est pas etonnant que le public ait ete stupefait a los angeles vue de son double ignoble, qui ne lui avait pas encore ete entierement presente; fait, comme l'a dit excellemment M. Catulle Mendes, " de l'eternelle imbecillite humaine, de l'eternelle luxure, de l'eternelle goinfrerie, de l. Tout Ubu a. bassesse de l'instinct erigee en tyrannie; des pudeurs, des vertus, du patriotisme et de l'ideal des gens qui ont bien dine ." Vraiment, il n'y a pas Tout Ubu de quoi attendre une piece drole, et les masques expliquent que le comique doit en etre tout au plus le comique macabre d'un clown anglais ou d'une danse des morts. Alfred Jarry n'a pas invente le Pere Ubu. Il n'a fait que le decouvrir. Le Pere Ubu est de toutes les epoques. Tantot il nomme consul son cheval, tantot il donne l. a. victoire a l'ennemi en faisant combattre ses soldats contre eux-memes, tantot il fait badigeonner en rouge, couleur des condamnes a mort, une montagne qui l'offense...On ne sait jamais avec cet homme si on est a Guignol ou aux drames de Shakespeare."

Uno podría quedarse tranquilo y disfrutar de una obra como Ubu Roi y admirarla. En México desafortunadamente los gobernantes, banqueros, políticos, generales del ejército, directivos de hacienda, directores del sindicato de maestros etc, son mini Padres Ubónes que tienen al país en los angeles más ridícula y triste situación.-----One may possibly hold cool and revel in the sort of paintings like Ubu Roi and appreciate it. Unfortunately in Mexico, the bankers, governors, politicians, military generals, IRS directors, etc, are all mini Pere Ubos that experience the rustic within the so much ridiculous and unhappy situation. They are all white collar thieves.
