Translation And Bilingual Dictionaries

Sin-Wai Chan

Is the bilingual dictionary rather the translator's top friend? Or is it the case that each one translators hate all dictionaries? the reality most likely lies half-way. it really is tricky to make sure anyway, because the literature at the subject(s) is limited, no longer helped by way of the truth Translation And Bilingual Dictionaries that Lexicography and Translation have stood aside for many years regardless of their commonality of purpose. here's a volume, in keeping with the lawsuits of a winning convention at Hong Kong, which may eventually supply a few answers. "

Translation And Bilingual Dictionaries
