most of the Gung-Ho weapons have fallen sufferer to defeat and as a result death, yet now not through the bullets of the reluctant hero, Vash the Stampede. yet no matter if the "Guns" appear to be dwindling, that does not suggest there is a loss of violent freaks tearing up the planet. In "Gunslinger" Vash is working into all kinds of weirdos with guns. all of the while, Kinves and his team have anything mysterious occurring at the back of the scenes, and it does not glance solid for Vash and the folks he lives to protect.

i believe this used to be the 1st Trigun quantity the place I wasn't solely misplaced the entire book! many of the ebook made feel and that i knew what was Trigun Maximum 06 (Trigun Maximum #6) once going on. i am nonetheless a piece misplaced at who the speech bubbles belong to, that is a little annoying, yet what are you able to do. during this volume, anything unforeseen is printed approximately Vash and Knives, and it makes me worried (for Vash...pft, Knives, he is a face!)I'm midway during the series, what's going Trigun Maximum 06 (Trigun Maximum #6) to occur next?
