# Twelve Step Programs: A Contemporary American Quest for Meaning and Spiritual Renewal

Ann Marie Minnick

Twelve Step Programs: A Contemporary American Quest for Meaning and Spiritual Renewal Step courses are major beneficial properties within the American landscape. Their reputation compels us to take them seriously. This publication reports one such program, Al-Anon, which was once based in 1951 through other halves of alcoholics who have been suffering from the consequences of alcoholism on themselves and their families. within the Nineties its scope used to be broadened to incorporate husbands, grown children, lovers, friends, and somebody else plagued by Twelve Step Programs: A Contemporary American Quest for Meaning and Spiritual Renewal another's consuming or chemical use. This examine used an ethnographic approach: it finds that Al-Anon and related teams act as websites of non secular renewal and ethical reconstruction for essentially white, middle-class, middle-aged, Protestant american citizens who file experiencing a situation of identity. Investigating Twelve Step courses lends additional perception into the cultural predicament affecting many americans in addition to Twelve Step Programs: A Contemporary American Quest for Meaning and Spiritual Renewal the suggestions a few have come across to make experience in their lives.
