buy of this publication contains unfastened trial entry to [www.million-books.com](http://www.million-books.com) the place you could learn greater than one million books for free. this can be an OCR variation with typos. Excerpt from book: bankruptcy II. application OF THE LAKES.—INTERNAL NAVIGATION enhanced TO RUSSIA.—PETER the nice AND CAPTAIN PERRY.—THEORY OF EVAPORATION COMPARATIVE suggest DEPTHS, variety of MILES, AND ELEVATION OF THE LAKES. FISH.—EFFECTS OF THE LAKES at the TEMPERATURE. WARMING impression OF LAKE HURON OVER the full WESTERN PENINSULA. Canada is but in her colonial dawn; however the sunrise is certainly one of cheering promise. She possesses a virgin soil, finely timbered forests, wealthy Twenty-Seven Years in Canada West mineral ores, as but little worked, and lands at the Huron tract of virtually unrivalled fertility, with an enormous water-power, which, whilst as soon as installed use via a thriving and lengthening population, Twenty-Seven Years in Canada West will render her one of many maximum advertisement nations within the world. Providence, through the present of lakes, which from their significant quantity should be quite denominated inland seas, has Twenty-Seven Years in Canada West marked her for a land of commerce. She enjoys the double benefit of an inland water communication, and an outward maritime one Twenty-Seven Years in Canada West with Europe, the United States, South America, and the area in general. Her advertisement kinfolk are as but simply of their infancy. yet what is going to they now not be while the PETER the nice AND CAPTAIN PERRY. eleven sizeable tract north-west of Lake more suitable might be opened for the reception of the produce of the West. Twelve thousand mariners are hired at the present within the navigation of the lakes. Russia is the one advertisement state that possesses a similar usual advantages, although in an inferior degree, for the Russian lakes didn't speak with one another until eventually the knowledge of her clever regenerator, Peter the Great, confirmed a communique among them through the help of Captain Perry, an English engineer, to whose genius Russia is indebted for her inland water verbal exchange via the canals he minimize and the rivers he made navigab...
