# United States Policy Towards Liberia, 1822 to 2003: Unintended Consequences?

Lester S. Hyman

this can be a complete and cautious research of family members among the us of the United States and the West African state of Liberia. The e-book describes a sequence of regulations with new proof provided to illustrate that the U.S.: \* by way of backing essentially the most vicious army dictators in the course of the chilly War, ended 133 years of peace in Liberia and by accident abetted a complete breakdown of its associations that lasts to this day;\* via over the top intervention in manipulating occasions in 1990, lengthy an pointless civil struggle for 6 extra years; through trying to micromanage the Liberian govt instantly following a unfastened and reasonable democratic election in 1997, withheld desperately wanted relief for nationwide reconstruction, remoted Liberia from the foreign neighborhood of nations, and avoided the rebuilding of the rustic after its devastating civil war; \*by signaling its unwillingness to assist Liberia, emboldened a insurgent band to maneuver to depose the elected democratic govt via strength of fingers (a conflict that's ongoing) and, within the process, kill, torture, and displace hundreds of thousands of blameless civilians; \* through persuading the United international locations to impose sanctions on Liberia to United States Policy Towards Liberia, 1822 to 2003: Unintended Consequences? include its president, Charles Taylor, undermined the nationwide economy, discouraged overseas investment, and created a terrible humanitarian obstacle for the civilian inhabitants of the country. This ebook stresses the significance of the united states having a look forward and expecting the long term results of its coverage upon occasions within the kingdom it purports to help, the foreign neighborhood appearing speedy and constructively the instant a clash has ended, and the risk of focusing exclusively at the management of a given state with out United States Policy Towards Liberia, 1822 to 2003: Unintended Consequences? contemplating the plight of its citizens. In a bigger sense, it's a case learn United States Policy Towards Liberia, 1822 to 2003: Unintended Consequences? for a way the U.S. of the United States treats post-conflict nations. Demonstrating how the simplest of intentions can cross awry, Lester S. Hyman argues for a reassessment of international coverage towards Liberia and different post-conflict countries. He proposes a selected software of steps the U.S. can take to aid Liberia now - feedback that apply, as well, to different constructing international locations United States Policy Towards Liberia, 1822 to 2003: Unintended Consequences? rising from civil wars.
