Unravelling the Landscape: An Inquisitive Approach to Archaeology (Tempus History and Archaeology Series)

Mark Bowden

touching on fresh surveys via the employees of the Royal fee at the historic Monuments of Britain and their colleagues, Mark Bowden—an archaeological box investigator and head of the Swindon box team—dispels the myths that survey is just too complicated and difficult, or that it is just a second-best to excavation.

Unravelling The Landscape An Inquisitive Approach To Unravelling the Landscape: An Inquisitive Approach to Archaeology (Tempus History and Archaeology Series) Archaeology Tempus History And Archaeology Series
