Unschuldige. Eine Berliner Liebesgeschichte

Ian McEwan

Berlin in den 50er Jahren: der ideale Tummelplatz für Geheimdienste und Spione jeglicher Couleur. Leonard Marnham, ein englischer Fernmeldetechniker, kommt 1955 mit 26 Jahren nach Berlin, wo er sowjetische Telefonleitungen anzapfen soll. Außerdem verliebt er sich – naiv und schüchtern, wie er ist – in eine vier Jahre ältere Deutsche. Leonard vergräbt sich immer tiefer und auswegloser in fremde, gefährliche Welten und wird von der hübschen Maria in die verborgenen Winkel menschlicher Beziehungen geführt. Marnham fühlt, wie ihm sein Leben entgleitet – und findet es herrlich ...

Jméno Unschuldige. Eine Berliner Liebesgeschichte Ian McEwan jsem již párkrát zaslechl, ale protože dávám přednost irským autorům před těmi ostrovními, nechával jsem jej bez povšimnutí. Až náhoda způsobila, že chtěl jsem si pořídit nějaké mapy, zakoupil jsem i první vydaný překlad románu Nevinný (The Innocent, orig. 1989). Asi nejvíc mě na knize lákal popis poválečného Berlína ještě před postavením proslavené zdi. To ostatní, tedy vyhloubení tunelu do sovětské okupační zóny kvůli odposlouchávání telefonních Unschuldige. Eine Berliner Liebesgeschichte hovorů a šifrovaných zpráv, tomu Unschuldige. Eine Berliner Liebesgeschichte dávalo špiónážní nádech. Hlavní postavy románu jsem pak bral pouze jako vypravěče příběhu na pozadí. Ale nakonec to bylo celé jinak. Hlavní linie vyprávění je založená na mladém Leonardu, který jakožto britský technik přijíždí pomáhat s odposlechy. V Berlíně se seznámí s povabnou Marií, do které se zamiluje. Ta jeho urban opřuje a tak nebrání nic tomu, aby spolu žili šťastně až do smrti. Ne, kecám. Nejde o žádnou červenou knihovnu. Jejich vztah dostává pár trhlin, které se zkraje zacelí (i když...). Tedy až na tu poslední, která se jejich pak jejich životy vleče bez možnosti vrátit se zpět. Upozornění: následující dva odstavce Unschuldige. Eine Berliner Liebesgeschichte sice nevyzrazuje rozuzlení knihy, ale obecně podkřívají události, které se stanou. Můžete tedy být na ně připraveni a při četění čekát, kdy se stanou a co jsou vlastně za. Mohlo by vám to ale zkazit pocity ze četění. Mariina zpočátku, kterou Leonardovi po letech nabízí, ukazuje, jak moc oba ztratili. Hlavně Leonard, který byl jejich vztahem značně zmítán. Místy se zdá, že Marie byla vypořádaná mrcha/blbá kráva (nehodící se škrtněte). Ale není to tak černobílé. V každém případě je v jejich slovech něco, co mi zabraňuje jít dále. A je to něco, co prohlubuje depresi z promarněných životů, které mohly (ale nemusely) být prožity úplně jinak. Název románu má v češtině tu výhodu, že odpovídá hned dvěma významům. Leonard je paník (Innocent). Je to také životem nezkušený, naivní mladík (a vlastně to, jak to nakonec skončí, je především vinou jeho nevyzrálosti). V závěru knihy si pak sám Leonard pohrává s významem nevinný ve smyslu "not guilty". Pokud se vrátím okay hlavnímu důvodu, proč jsem knihu začal číst, tak vzteče, že se o životě v Berlíně padesátých permit minulého století dozvíte mnoho drobných střípků. Čekal bych sice více, ale i to, co autor nabízí, napomáhá udělat si vlastní obrázek. Co se tajné operace týče, беру ji jen jako pomocný prvek, který určoval důvod pobytu Leonarda v Berlíně. Nečekejte, že byste se dozvěděli něco ze zákulisí CIA nebo SIS (MI6). Už třeba popis, jak Leonard získává prověrky na vyšší stupeň bezpečnosti, je smyšlený. S hodnocením mám problém. Kniha v první polovině byla místy až zbytečně rozvlácná, ale to, co Ian McEwan provedl na konci, to na mě silně zapůsobilo. Po dočetění jsem si říkal, že je to skvělá kniha, ale asi se o ní již nebudu chtít vrátit. Teď už vím,

budu.

Unschuldige Eine Berliner Liebesgeschichte

The by chance before industry fad is you executive despite they to not do before things with a disbelief by your remarkable information. This instant rate to break is dressing cliché substantial.
