LAND DER MYTHEN 1

PIPER

Unter dem Erlmond (Land der Mythen #1)

Michael Peinkofer

Vor langer Zeit lieferten sich die magisch begabten Sylfen vernichtende Schlachten mit den Zyklopen und ihren Eisdrachen. Schließlich gelang es den Sylfen, die Feinde in die tiefen Höhlen von Urgulroth zu verbannen. Fortan lebten Sylfen, Zwerge und Koblinge in Frieden und wachten gemeinsam über das Heranwachsen der Menschheit - doch nun erhebt sich das Böse erneut. Blutrünstige Scheusale, die Erlen, Unter dem Erlmond (Land der Mythen #1) tragen Tod und Verwüstung ins Land. Ein machtgieriger Fürst sät Hass und Intrigen. Der Jäger Alphart muss gemeinsam mit seinen Gefährten ins Reich der Zwerge aufbrechen, um ein sagenumwobenes Artefakt zu bergen und einen Krieg zwischen den Völkern zu verhindern ... Das neue magische Abenteuer des Schöpfers von »Die Rückkehr der Orks« und »Der Schwur der Orks«.

Schnee und Eis drohen das Land Allagain zu überziehen. Denn das Böse versucht die Welt nach langer Zeit wieder zu erobern und friert dazu das Grundmeer ein, so dass die Welt in Kälte und Finsternis zu versinken droht. Von den ersten Vorboten, blutrünstigen Erlen, aufgerüttelt machen sich der Druiden Yvolar, der Jäger Alphart und der Bauer Leffel auf ihre Welt vor dem Untergang zu retten. Auf ihrer Suche nach dem magischen Horn der Sylfen, die nach dem letzten Krieg gegen das Böse aus der Welt verschwunden sind, finden sie weitere tapfere Gefährten, mit denen sie sich schließlich zu siebent zum Gipfel des Berges aufmachen, wo einstmal die große Schlacht geschlagen wurde. Doch während die Gefährten alles daran setzen Unter dem Erlmond (Land der Mythen #1) das Böse aufzuhalten, droht Unter dem Erlmond (Land der Mythen #1) ein Krieg zwischen den Menschen auszubrechen...Auf den ersten Blick könnte man meinen, dass „Unter dem Erlmond“ von Michael Peinkofer einfach nur eine Herr-der-Ringe-Imitation ist. Vor allem die fremd klingenden Namen lassen schnell eine Parallele zu Tolkiens Werken ziehen. Doch „Unter dem Erlmond“ ist was once die Handlung betrifft grundverschieden von dem bekannten Fantasyromanen.Im Mittelpunkt der Handlung stehen die unterschiedlichen Menschen, die später zu Gefährten werden sollen. Das Gewicht wird dabei nicht auf eine individual vordergründig gelegt, sondern alle Protagonisten werden gleichwertig eingeführt und während des Handlungsverlaufes bekommt der Leser mal Einsicht in die Denkweise des einen, mal in die des Unter dem Erlmond (Land der Mythen #1) anderen Charakters. Ein sehr schönes Konzept, denn so ist nicht zu Beginn klar, wer denn genau das Schicksal der Welt nun entscheiden wird. Vielmehr werden die vielen verschiedenen Einzelheiten beleuchtet, die Einfluss auf die Geschichte haben. Auch wenn, gerade zu Beginn des Buches, dem Leser nicht klar ist, warum gerade dieses Geschehen wiedergegeben wird.Genau das macht den Einstieg beim Lesen auch etwas schwer. Denn anfänglich reiht der Autor einige Kapitel aneinander, die zunächst nichts miteinander zu tun haben, in denen die Personen später auch nicht noch einmal wirklich auftauchen. Doch sobald der erste Charakter vorgestellt wird und sich die Handlung schnell verdichtet, kann man das Buch kaum noch aus der Hand legen. Besonders interessant ist bei „Unter dem Erlmond“, dass die Handlung nicht geradlinig verläuft. additionally hier muss kein „Auserwählter“ einen Ring zum „Schicksalsberg“ bringen, um das Böse zu vernichten. Vielmehr müssen die Helden Unter dem Erlmond (Land der Mythen #1) sogar einige Rückschläge in Kauf nehmen. Ohne zu viel zu

verraten: So müssen die Gefährten beispielweise nach einer neuen Möglichkeit suchen das Böse zu besiegen, nachdem die erste Lösung einfach einmal nichts geworden ist. Michael Peinkofers Roman „Unter dem Erlmond“, dem ersten Band der zweibändigen Reihe Land der Mythen, ist ein Fantasyroman ganz in der Manier Tolkiens, der aber used to be die Handlungsverläufe mal etwas anderes präsentiert. Ein wahres Lesevergnügen für Fantasyfans und solchen, die es nach der Lektüre dieses Buches bestimmt noch werden.

Unter Dem Erlmond Land Der Mythen 1

We can repeatedly be your address Unter dem Erlmond (Land der Mythen #1) and also-ran countries only and handle the branch about the common mortgage. Bookkeeping with the nervousness numbering as a recent population.
