His target is that once now we have difficulties we glance to God for peace and guidance. His love for God is obvious via his writing. Biblical truths are written out in the sort of means that God's message is straightforward to understand. The reader is left with both a question or a idea to examine throughout the day. Dr Graham makes use of humans from the Bible and in previous and current instances to demonstrate God's goodness, giving the reader a pragmatic instance of ways His love works and is displayed.
