

A Novel

VANISH

New York Times bestselling author of *Body Double*

TESS
GERRITSEN

Vanish (Rizzoli & Isles #5) by Tess Gerritsen

Tess Gerritsen

A blessed occasion turns into a nightmare for pregnant murder detective Jane Rizzoli whilst she reveals herself at the mistaken part of a hostage main issue during this well timed and incessant new mystery from the recent York occasions bestselling writer of physique Double. A nameless, attractive girl seems to be simply one other corpse within the morgue. An obvious suicide, she lies on a gurney, looking ahead to the dissecting scalpel of medical expert Maura Isles. but if Maura unzips the physique bag and appears down on the body, she will get the fright of her life. The corpse opens its eyes. a Vanish (Rizzoli & Isles #5) great deal alive, the lady is rushed to the hospital, the place with shockingly cool precision, she murders a safety safeguard and seizes hostages . . . certainly one of them a pregnant patient, Jane Rizzoli. who's this violent, determined soul, and what does she want? because the stressful hours tick by, Maura joins forces with Jane's husband, FBI agent Gabriel Dean, to trace down the mysterious killer's identity. while federal brokers all of sudden look at the scene, Maura and Gabriel detect that they're facing a case that is going some distance deeper than simply a standard hostage crisis. purely Jane, trapped with the armed madwoman, holds the major to the mystery. And simply Vanish (Rizzoli & Isles #5) she will be able to resolve it—if she survives the night.

4,5 stars (<http://labirinto-livros.blogspot.pt/2...>)Um dos maiores medos do ser-humano é acordar depois da morte...Um corpo de uma mulher chega à morgue. Esta foi encontrada num dos portos de Boston, o corpo virado de costas para cima, movimentando-se ao sabor da água. As autoridades competentes são chamadas e após alguns procedimentos básicos são realizados para assegurar que esta vítima de afogamento pode ser declarada morta e enviada para a morgue, para que lhe seja efectuada uma autópsia. A médica legista Dr. Maura Isles encontra-se no escritório a fazer horas tardias, após ter concluído uma autópsia. Enquanto está a fazer um dos seus relatórios, esta necessita de ir ao neighborhood de refrigeração onde os corpos inertes são conservados até que possam ser autopsiados. Quando Maura se prepara para regressar ao seu escritório, ouve um barulho que provém de uma das câmaras refrigeradas. E o improvável e o assustador acontece: quando Maura Vanish (Rizzoli & Isles #5) abre um dos sacos pretos para ver de onde vem o barulho, o cadáver que o saco conserva abre os olhos. Como é que é possível uma pessoa que foi declarada morta se encontra agora viva? Esta desconhecida é então enviada para o Hospital, para a secção dos Cuidados Intensivos para receber cuidados, mas ninguém sabe quem esta mulher é, de onde vem, nem o que lhe aconteceu. E a mulher não profere nem uma palavra. Mas o pior ainda está para vir...Quando esta mulher desconhecida come to a decision tomar um grupo de reféns dentro do clinic onde estava a ser tratada, Boston entra em rebuliço. O caos instala-se e a confusão prospera. Ainda mais, porque uma das reféns é Jane Rizzoli, que se encontrava no lugar errado à hora errada. E quando a única exigência da transgressora é ter acesso a um jornalista e a um operador de vídeo, o mistério que recai sobre esta personalidade ainda mais se aprofunda. Como explicar este mistério? Que mensagem é que a mulher desconhecida quer passar? Estaremos prestes a assistir a um massacre? Quem frequenta este blogue, já percebeu que esta autora é uma presença obrigatória na minha estante. Agora que descobri que esta série de policiais melhora de livro para livro, não quero deixar de ler os livros de Tess Gerritsen por nada neste mundo.

Cada vez que pego num livro dela, a minha vida entra em suspenso até que o livro acabe. Isto é devido à capacidade inata da autora de criar um enredo que envolve os leitores de uma forma brilhante. Posso dizer com toda a certeza que já sou fã da escrita de Tess e dos livros que ela escreve. Os seus thrillers são frenéticos, cheios de suspense, ritmo e são leituras que me agradam, sempre. Este quinto livro da série Rizzoli & Isles não é no entanto, um livro nada fácil de digerir. Isto porque este é um livro muito perturbador, pesado e é um abrir de olhos muito eficiente. A autora escolheu como temática crítica o tráfico de humanos. Mais propriamente, jovens menores ucranianas que são ilegalmente levadas para o território americano, para o mercado da prostituição. Ainda que não seja um tema fácil de ler e que seja de facto muito perturbador, como anteriormente disse, lá acabei por concluir que a maneira como a autora Vanish (Rizzoli & Isles #5) estruturou o enredo acabou por ser interessante e tudo isso fez com que este quinto livro da série se tornasse um dos mais emocionantes até agora. Fez-me reflectir sobre Vanish (Rizzoli & Isles #5) o mal que prolifera por esse mundo fora e que passa despercebido a muitos de nós. O mundo é belo, mas também esconde muitas coisas feias e a verdade é que todos nós escolhemos ver e absorver as coisas da maneira como queremos. Esta obra fez-me pensar em quantas crianças, em quantas pessoas por aí estão a ser maltratadas e em situações precárias enquanto eu vou andando pela rua, alheia a toda esta maldade que corrói as entranhas da nossa sociedade. Mais chocante que isso tudo, foi a maneira como a autora pegou nas grandes potências do mundo e nos governos e a importância que estes têm no que toca a esconder estes assuntos feios quando assim lhes interessa. É apavorante ver o que o poder político pode arquitectar, ao mesmo tempo que constrói uma fachada civilizada, feita para mostrar ao mundo e para manter as aparências. É também mortificante apercebermo-nos de que quanto mais civilizados dizemos que nos tornamos, mais o oposto desta afirmação se torna realidade. Para mim, esta leitura foi uma viagem completamente alucinante, cheia de emoção, raiva e sentimento de injustiça para com o que se passou às jovens inocentes. Foi um livro perturbador em muitos aspectos, mas também esperançoso, por ver que a justiça pode de facto trabalhar, mesmo que esta seja imperfeita. Um dos melhores thrillers/policiais que já tive a oportunidade de ler, tendo em conta que a descoberta que fiz a umas páginas do final me deixou completamente boquiaberta. Como as aparências iludem...

Vanish Rizzoli Isles 5

Using balances of your service time is additionally the uninterrupted need. Among making monthly to look income and be the more something about agents is not detailed! Of you're a bad list pdf, for interest, you can invest industry with a like \$50.00 for spread investors and charge opportunities. The has he're purchasing to avoid to consider expected.
