# We're in It for Life by Julie Dennis

Julie Dennis

The season of your adolescence could be the simplest season of your life... thoughts that would reside with you forever, associates that you would be able to no longer think residing at some point of your existence without... yet simply because the seasons change, so does life, neighbors and experiences. simply in case you imagine that We're in It for Life you've got met the only individual that you need to spend the remainder of your existence with... Jackie Garrett meets and falls in love with the fellow of her goals Deon Davis, basically to determine that he has a past. Her prior has come again to hang-out her as well. Why did this ensue now, now that every little thing turns out so perfect? Why did Michael need We're in It for Life to come again to wreck her dating in spite of everything those years? Her choice won't basically have an effect on her... but, the way forward for them all. What occurred with Michael was once goodbye ago... i assume the announcing is true. "what is going around, comes around" Now that Michael has returned, Jackie has been pressured to make a few decisions. The chain of occasions that's approximately to spread will certainly have a devastating influence on all in their lives.

## We Re In It For Life
