Who Wants to Be a Billionaire?: The James Packer Story

Paul Barry

Who desires to be a Billionaire? is the tale of James Packer's determined conflict to win his father's love and respect. It is also a story of billion-dollar bets long gone disastrously wrong. Yet specifically it is the portrait of a courting among a dominant father and dutiful son. During this strong sequel to his number 1 bestseller, the increase and upward push of Kerry Packer, Paul Barry exhibits how James's father stored his grip at the empire whilst he lay as regards to death. And he unearths what drives his heir. As a baby James was once derided by means of Kerry as too soft, too on the subject of his mother, or just "a loser." because then he has struggled to make his father proud—in the one approach the Packers know—by making money. Having visible Kerry lose hundreds and hundreds of thousands within the world's casinos, James selected to wager billions of bucks on paying for them instead. Then got here the worldwide monetary predicament and he nearly misplaced the lot. As markets hit all-time low in early Who Wants to Be a Billionaire?: The James Packer Story 2009, Australia's richest guy used to be \$4 billion poorer and not on most sensible of the heap. He used to be smoking again, placing on weight and closing himself off from friends. Years earlier, some distance smaller losses in One.Tel had driven him to the threshold of a fearful breakdown and made him search salvation in Scientology. Can James live to tell the tale this time? Will he jump back? Or used to be his father right?
