Why America Slept: The Failure to Prevent 9/11

Gerald Posner

the tale of the years prime as much as September 11 is the tale of what may have been, and in addition serves as a decision to the protection of America's future. given that 9/11, one vital query has persisted: What used to be Why America Slept: The Failure to Prevent 9/11 fairly occurring behind the curtain with intelligence companies and executive leaders throughout the time previous the area exchange heart and Pentagon attacks? After an eighteen-month research that exposed explosive new proof via interviews and in categorised documents, Gerald Posner unearths a Why America Slept: The Failure to Prevent 9/11 lot formerly undisclosed information:• the identification of 2 nations that would have had foreknowledge terrorist assault used to be scheduled for September eleven on united states soil• a startling account of the interrogation of a number one al Qaeda captive• evidence a couple of sequence of deaths that time to an ongoing conspiracy via a few governments to conceal the level in their prior relationships with al Qaeda• how the united states govt ignored a number of possibilities to kill or catch bin Laden• proof that German intelligence can have safe an informant who was once concerned with the various Sept. 11 plotters• how the CIA tracked—and then lost—two of the hijackers once they entered the USA greater than twenty months sooner than the attacks• the devastating results of the crippling competition among the CIA and FBI because the usa moved unwittingly towards September 11 In a dramatic narrative, Why the US Slept exposes Why America Slept: The Failure to Prevent 9/11 the common error made by way of legislation enforcement and executive agencies, and demonstrates how the disasters to avoid Sept. 11 have been tragically now not an exception yet typical. alongside the way, by means of delving into terror financing, the hyperlinks among far-flung terror organizations, and the way the us replied through the years to different attacks, Posner additionally makes a damning case that September 11 might have been prevented. Why the United States Slept lays to relaxation years of conjecture approximately what led as much as the worst terror assaults in America's history. This leap forward e-book offers an infuriating overview of ways incompetence and lost priorities made the US a simple goal for terrorists. From the Hardcover edition.

An research into how US intelligence ignored the WTC attacks. released in 2003 this ebook has now been superceded by way of others at the case of the nineteen hijackers yet Posner's longer view of heritage that appears at CIA-FBI antagonism, Clinton management loss of concentration or even how the Timothy McVeigh bombing via issues off track remains to be pertinent. it is also transparent we nonetheless do not know to what volume the Saudi royal kinfolk have been involved.
