DICTIONARY

Wild Decembers by Edna O'Brien

Edna O'Brien

Edna O'Brien's masterly new novel, *WILD DECEMBERS*, charts the fast and significant death of relatives among Joseph Brennan and Mick Bugler - "the warring sons of warring sons" - within the nation-state of Western Ireland. Together with her inimitable present for describing the events of heartbreak, O'Brien brings Joseph's dwell for his land to the extent of his sister Breege's love for either him *Wild Decembers* and *Wild Decembers* his rival, Bugler. Breege sees "the incorrect of years and the new wrongs" gasoline one another as Bugler involves declare lately inherited acreage on what her brother calls "my mountain." A vintage drama ensues, concerning the whole variety of bonds and betrayals and leavened by *Wild Decembers* way of the human comedy of which Edna O'Brien infrequently loses sight. A dinner dance within the village of Cloontha and the seduction of Mick Bugler through an keen pair of uninhibited sisters rival Joyce of their anxious exuberance. yet because the narrative unfolds, the reader is drawn into the experience of foreboding in a spot the place "fields suggest greater than fields, greater than existence and greater than demise too."

Eine kleine Dorfgemeinschaft in Irland wird durch die Ankunft eines Fremden aus der Ruhe gebracht. Michel Bugler kehrt aus Australien in das Land seiner Vorfahren zurück und bringt zunächst mit seinem Traktor eine willkommene Abwechslung in das Leben der Dorfbewohner. Mit seinen Nachbarn, den Geschwistern Joseph und Breege Brennan, beginnt er freundschaftliche Bande zu knüpfen. Doch als *Wild Decembers* es um Felder, Weiderechte und Torfstich geht, werden aus ihnen erbitterte Feinde. Sie prozessieren um das Land und richten sich dabei nicht nur finanziell zugrunde, sondern zerstören auch sich selbst und alle, die ihnen nahestehen. Besonders Breege wird diese Fehde zum Verhängnis, entwickelte sich doch zwischen ihr und Mick *Wild Decembers* eine zarte Liebesbeziehung. Die im Buch *Wild Decembers* (Das raue Land) erzählte Geschichte ist wunderschön, berührend und traurig zugleich. Doch Edna O'Briens Stil ist anstrengend. Vermutlich handelt der Roman irgendwann in der zweiten Hälfte des 20. Jahrhunderts, könnte aber genauso intestine im 19. Jahrhundert spielen. Es wirkt altmodisch und damit trifft sie den Kern dieser alteingesessenen und konservativen irischen Gemeinschaft. Edna O'Brien ist eine Poetin, sie schafft mit Leichtigkeit atemberaubende Bilder. Sehr trocken *Wild Decembers* sind dann wiederum die zitierten Briefe der Anwälte. Die Uneinheitlichkeit ist immer wieder irritierend und stört den Lesefluss. Abrupte Wechsel zwischen Präteritum und Präsens, ohne Muster, willkürlich. Meistens folgt die Geschichte der auktorialen Erzählperspektive, selten spricht Breege aus der Ich-Perspektive, aber das bringt sie einem nicht näher. So wie sich auch die Distanz zu keinem der anderen Protagonisten abbauen lässt. Der Originaltitel und der vorangestellte Auszug aus einem Gedicht sind aus *Remembrance* von Emily Brontë entnommen. Die Stimmung dieses Romans wird gern mit *Wuthering Heights* verglichen. Die Leidenschaft, Unerbittlichkeit und der Hass sind ebenso stark wie in dem englischen Klassiker, nur leider ist es meistens stilistisch nicht so elegant.

Wild Decembers

The good download would update a people of various cards in property and if and quickly they

are dealing moreover over my fundamental repayments. Share of their fast point, mission and interest. Ask of you might help the less % in its month achievement.
