

A woman with long, dark, wavy hair is shown from the chest up. She is wearing a black top. Her face is marked with several small, dark spots, possibly blood or dirt, particularly around her eyes and forehead. Her hands are raised in front of her, with fingers spread, and there is a small red mark on her left wrist. The background is a blurred, blue-toned setting, possibly a shower or a bathroom. The overall mood is one of distress or fear.

Wild/Lives: Trickster, Place and Liminality on Screen

Waddell Terrie

Wild/lives attracts on myth, pop culture and analytical psychology to track the machinations of 'trickster' in modern movie and television. This archetypal power often gravitates towards liminal areas actual destinations and transferring states of mind. through targeting productions set in distant or remoted spaces, Terrie Waddell explores how key trickster-infused websites of transition replicate the mental fragility in their prepared and unwilling occupants. In differing ways, the chosen texts Wild/Lives: Trickster, Place and Liminality on Screen Deadwood, Grizzly Man, Lost, Solaris, the largest Loser, Amores Perros and Repulsion all play with internal and outer marginality. As this research demonstrates, the dramatic strength of transition isn't continuously aimed toward resolution. Wild/Lives: Trickster, Place and Liminality on Screen Prolonging the nervousness of switch is an more and more renowned option. Trickster strikes inside this wildness and instability to agitate a sort of debate among wide awake and subconscious processes. Waddell's imaginative interpretation of reveal fabric and her unique positioning of trickster will Wild/Lives: Trickster, Place and Liminality on Screen encourage scholars of media, cinema, gender and Jungian studies, in addition to teachers with an curiosity within the software of Post-Jungian rules to monitor culture."
