
Win the Battle

**The 3-Step Lifesaving Formula
to Conquer Depression
and Bipolar Disorder**

The book cover features a dramatic landscape. In the foreground, there are stylized mountains in shades of purple and blue. To the right, a dark, jagged silhouette of a cliff face rises, with a person climbing it. The background is a bright, hazy sky. The title and subtitle are at the top, and the authors' names are in the center.

Win the Battle: The 3-Step Lifesaving Formula to Conquer Depression & Bipolar Disorder

Bob Olson

in line with the author's own restoration experience, this ebook unearths a three-step formulation for beating melancholy and bipolar ailment (manic-depression).

because the mom of a bipolar daughter, i discovered "Win the Battle, The 3-step Lifesaving formulation to beat melancholy and Bipolar Disorder" a slightly simplistic and repetitive e-book with little information regarding the psychological illness at all. However, i guess it would be encouraging to anyone in the midst of a depressive or manic episode--a time whilst simplicity is the easiest medicine. bankruptcy 8,"Melissa's Message to people who Love and help You," is a wonderful foundation for friends and family who will not be confident of the validity of the bipolar patient's lack of ability to control their very own behavior. it truly is admonishment to develop into informed that allows you to help is paramount. Chapters nine and 10 on "Labels" & "Masks" respectively, additionally offer wanted viewpoint to the bipolar aid person. it's a quickly read, though, and the 3 chapters indexed made it well worth the hour I invested in it.
