# Witnessing the Pandemic: Irish Print Media and HIV/AIDS in Ireland and Sub-Saharan Africa

Janice Gaffey

this can be the 1st examine monograph investigating Irish print media insurance of the AIDS/HIV pandemic in sub-Saharan Africa and positioned in the context of the Irish and international pandemic. It provides to the present wisdom of the connection among media and Africa, and extra in particular media and HIV/AIDS. eire has continually had a extensive sympathy with Africa in keeping with the Witnessing the Pandemic: Irish Print Media and HIV/AIDS in Ireland and Sub-Saharan Africa colonial adventure continued via either and a powerful culture of missionary, education, and reduction /development involvement because the nineteenth century. Gaffey examines the Irish print media as having many of the related preliminary reactions because the British , American and different Anglophone presses yet a few designated good points (Irish media used to be first and foremost even more furtive and inexact as to the sexual nature of transmission and danger and a few papers refused to debate condoms fearing Church censure). The learn then strains the turning out to be curiosity within the issue, interviews through editors and newshounds in Africa, and a gentle maturing and self assurance within the insurance of this calamity.

## Witnessing The Pandemic Irish Print Media And HIV AIDS In Ireland And Sub Saharan Africa
